The Beliefs and Behavior of American Young Adults

Darwin’s Racists: Sharon Sebastian & Dr. Ray Bohlin

Mere generations ago, a man named Charles Darwin introduced his Theory of Evolution which permeates today’s society. Its premise is that some groups of people are less evolved than others and, therefore, inferior. As a result, millions have died when targeted by race, class or disability. This insightful book explores how Darwin’s theory has impacted society over the last 150 years.

Evidence, Answers, and the Christian Faith

A collection of articles written by Probe Ministries staff laying out basic Christian evidences for the deity of Christ and the divine origin of Scripture, and including answers to some common objections to the faith.

The Apologetics of Jesus

A Caring Approach to Dealing with Doubters by Patrick Zukeran and Norman Geisler

Apologetics books abound, but how did Jesus defend the faith? The Apologetics of Jesus presents the Savior at his convincing best. The most tentative Christian or belligerent skeptic will find meaty arguments for the godhead of Christ through his parables, prophecies, and more. This hard-hitting resource shows how Christ led the curious to commitment.

The Closing of the American Heart: What’s Really Wrong

with America’s Schools

By Ronald A. Nash

Nash goes beyond the discussion begun by Allan Bloom in the best-seller, The Closing of the American Mind, praising Bloom for his insights and yet pointing to the lack of a clear prescription for the future. Being pro-choice in education, Dr. Nash argues, means returning the choices of school, curriculum, and values to parents!
