

“Can You Recommend Good Literature on Angels?”

I was intrigued to read your website article on angels. I myself have been studying the occurrences of Angels in history and would like to know if you can recommend any literature from the Church, or recommended by the Church on such matters.

I have to admit though that I have come to the philosophy, after a bad dream/visitation by an evil, guttural sounding, disembodied voice telling me that my books would not help me, and at the time they were all references to the New Age fallacy and how to spot the lies, that we need to know more about the New Age cults so that we can not only test our own faith, but see how stupid most of these New Ager's ideas are.

I read one book that said Jesus was really a spaceman and another that Angels were Aliens, but I didn't take any notice, leading me to realise that if you want to live in a world of stories rather than in truth you will never be saved no matter who tries to help.

The other main worry that is filling my life at the moment is that the Churches are starting to follow the new age ways as well. Is this the end of popular religion as we know it?

Thanks SO much for your note.

Oh man!! What exceptional evidence that demons are intrinsically involved in this whole issue and behind much of

the angel mania!! I'm sorry you had to go through that. I don't know if anyone has ever given you any direction on dealing with that kind of visitation, but if it ever happens again, God has given us powerful supernatural tools for fighting spiritual warfare. In case you haven't heard of this, I'll go ahead and share; if it's old news, just hit delete! :::::smile:::::

If you have trusted Christ as your savior, you have the authority to speak to demons (out loud) and say, "The blood of Jesus protects me, and in Jesus' name you have to leave!" I personally know this is effective. God's weapons are, indeed, powerful for pulling down strongholds (2 Cor 10:4).

that we need to know more about the New Age cults so that we can not only test our own faith, but see how stupid most of these New Ager's ideas are.

Amen, and amen!!!

There have always been attacks on the orthodoxy of the truth throughout the history of the church. That's why Peter was so concerned about identifying and rejecting false teachers. No, it's not the end of popular religion as we know it, because God will always preserve His church and His truth. But you're right to be concerned about the movement of some churches toward New Age garbage; for instance, churches who teach "A Course in Miracles," which was channeled by a demon!

Yes. Billy Graham's book *Angels* is a classic. Another

excellent book is *Angels: Elect and Evil* by C. Fred Dickason. There may be more good ones that have come out in the past several years, but I know these two for sure.

I hope this helps, and the Lord bless you and keep you.
