Forum of Christian Leaders

The Forum of Christian Leaders online (FOCL) is a web site which presents audio and video recordings of talks by Christian leaders from Europe and America. Recordings come from the annual European Leadership Forum which Rick Wade attended several years, and cover a wide range of topics in such areas as apologetics, discipleship, theology, economics and business, counseling and psychology, education, leadership, and culture and art. The Forum is a place for Christians in leadership positions to interact and support each other, so presenters speak from their own experience in ministry. Presentation formats include answers to specific questions, short talks, workshops, webinars, and longer courses. This is a rich resource!
