Heather graduated magna cum laude from the University of Texas at Dallas with a B.S. in chemistry and a minor in government and politics. She received her M.S. in chemistry, also from UTD; her research was in organic synthesis and materials. She interned at Probe Ministries prior to graduate school and now serves with Probe as a Research Associate. Her interests involve science and culture issues, including bioethics, origins, and the environment. She is currently working on a M.A. in bioethics from Trinity International University. She is married to David, another former Probe intern and teacher at Trinity Christian Academy. You can find Heather's updates on her web site: www.hz-probe.ministryhome.org.
