

“How Old Was Jesus When He Died?”

Until now I've been told that Jesus died at the age of 33 years of age. However your [Christmas Quiz](#) says 37 to 38 years old. . .? Please help.

I believe that chronology that Dale Taliaferro was using in the Christmas Quiz was based on the work of Dr. Harold Hoehner (*Chronological Aspects of the Life of Christ*, Zondervan, 1977).

Dr. Hoehner assumes that Christ was born in the Winter of B.C. 5 or Spring of B.C. 4. He also assumes that Christ was crucified on April 3, A.D. 33. As you can see, that would make Jesus 37 to 38 years old. You might want to consult the book and the excellent research by Dr. Hoehner (ThM, ThD at Dallas Theological Seminary, PhD at Cambridge University).
