**Is the United Pentecostal Church a cult, theologically speaking? And if so, why? What do they believe?**

The doctrine of the UPC is definitely heretical; they deny the Trinity in favor of what is called the “oneness” doctrine. Heresy makes groups a cult. Here’s a good article on that from Watchman Fellowship: [www.watchman.org/cults/upc.htm](http://www.watchman.org/cults/upc.htm)

Happy reading!
