

Periscope Experience at The Hope Center

Join Probe Ministries for a free 7-week event here at The Hope Center of our 7-week Periscope experience to help you develop a biblical worldview and deepen your eternal perspective as a Christ-follower. We want to help you learn to “See Above, Live Beyond.” This involves:

- A weekly message given during a provided box lunch
- A free 49-day daily devotional in online PDF book form, written by Probe President Kerby Anderson
- 7 weeks of small group sessions viewing a video
- Daily reminders by phone, text, or email, whichever you prefer, if you choose to receive them.
