Creation, Evolution, and Modern Science

By Dr. Ray Bohlin, ed
A collection of articles written by Probe Ministries staff addressing the collision of creation and Darwinian evolution with an introduction to Intelligent Design theory.

Cultural Captives by Stephen Cable

The Beliefs and Behavior of American Young Adults

Darwin’s Dilemma

Starring Stephen Meyer and Paul Nelson
This major documentary, the third in Illustra's internationally-acclaimed intelligent design series, probes one of the great mysteries of science, the Cambrian explosion, when in a moment of geological time complex animals first appeared on earth fully formed, without evidence of any evolutionary ancestors.

Darwin’s Racists: Sharon Sebastian & Dr. Ray Bohlin

Mere generations ago, a man named Charles Darwin introduced his Theory of Evolution which permeates today’s society. Its premise is that some groups of people are less evolved than others and, therefore, inferior. As a result, millions have died when targeted by race, class or disability. This insightful book explores how Darwin’s theory has impacted society over the last 150 years.

Evidence, Answers, and the Christian Faith

A collection of articles written by Probe Ministries staff laying out basic Christian evidences for the deity of Christ and the divine origin of Scripture, and including answers to some common objections to the faith.

Redeeming Darwin Facilitator’s Guide

The guide to prepare you to facilitate a small group study of the Redeeming Darwin DVD based study on Intelligent Design.

The Facilitator’s Guide provides background material to

prepare you to lead the discussion during each week of the study. It includes Fast Facts to equip you to lead the group and discussion questions to use during the group time..

Redeeming Darwin Leader’s Kit

Everything needed to host a 6 week study on a Biblical perspective on the intelligent design controversy and how to use it to share Christ

Redeeming Darwin Self Study Kit

A DVD based study equipping you to understand the controversy between intelligent design and darwinism.

The Redeeming Darwin study covers this important topic in two DVDs.

DVD #1: Discovering the Designer – explores the scientific and societal aspects of Intelligent Design vs. Evolution issues. It features Kerby Anderson, Dr. Ray Bohlin, Dr. Fazale Rana (Reasons to Believe) and Dr. John Morris (Institute for Creation Research)

DVD #2: Declaring the Designer – equips the viewer to transition from a discussion of intelligent design to an

effective presentation of the gospel. It features Larry Moyer and Mark Rae of EvanTell.

In addition to DVDs, the kit includes
Facilitator Guide: provides everything needed for a person with little or no knowledge of intelligent design or evolutionary theory to lead a stimulating study with group discussion.

Viewers Guide with Reference Guide: summarizes each lesson and provides a handy reference guide explaining the meaning and significance of the key concepts in this controversy

Redeeming Darwin Viewer's Guide w/ Reference Guide (Pack of 10)

Companion guide to Discovering the Designer DVD with helpful Reference Guide. Pack of 10 for larger group studies or to reuse DVD with a new group.

The Viewer's Guide provides an overview of the material of the Discovering the Designer DVD accompanied by the full Reference Guide explaining the key terms and concepts in this debate.

Any discussion comparing and contrasting naturalistic evolution (Neo-Darwinsim) and intelligent design introduces terms and concepts unfamiliar to many people. The Reference Guide provides a concise description of many of these terms/concepts comparing the assertions of supporters of Neo-Darwinsim with those of intelligent design. It is small enough to slip into a Bible, purse or glove compartment, but

comprehensive enough to respond to most questions that may be raised in a discussion with a friend or acquaintance.

The Apologetics of Jesus

A Caring Approach to Dealing with Doubters by Patrick Zukeran and Norman Geisler

Apologetics books abound, but how did Jesus defend the faith? The Apologetics of Jesus presents the Savior at his convincing best. The most tentative Christian or belligerent skeptic will find meaty arguments for the godhead of Christ through his parables, prophecies, and more. This hard-hitting resource shows how Christ led the curious to commitment.

The Closing of the American Heart: What's Really Wrong with America's Schools

By Ronald A. Nash
Nash goes beyond the discussion begun by Allan Bloom in the best-seller, The Closing of the American Mind, praising Bloom for his insights and yet pointing to the lack of a clear prescription for the future. Being pro-choice in education, Dr. Nash argues, means returning the choices of school, curriculum, and values to parents!
