

A Biblical Point of View on Homosexuality

By Kerby Anderson

What percentage of our population is homosexual? What did Jesus teach about this issue? What is the “pro-gay” movement? In this practical guide, Christian apologist and radio host Kerby Anderson sorts through myths to deliver the facts on homosexuality, its impact on society, and the implications for those seeking to help gay friends and loved ones. 128 pages, softcover from Harvest House.

A Biblical Point of View on Intelligent Design

By Kerby Anderson

What percentage of our population is homosexual? What did Jesus teach about this issue? What is the “pro-gay” movement? In this practical guide, Christian apologist and radio host Kerby Anderson sorts through myths to deliver the facts on homosexuality, its impact on society, and the implications for those seeking to help gay friends and loved ones. 128 pages, softcover from Harvest House.

A Biblical Point of View on Islam

By Kerby Anderson

In the midst of a fog of political correctness, readers today are eager for accurate information about Islam. Kerby Anderson draws on years of research and experience to clear up misconceptions, address concerns, and provide a biblical perspective on the world’s second largest religion. He answers questions about the basic beliefs and structures of Islam and offers guidance about the Christian response:

What are the five pillars of Islam? What are the main teachings of the Qur’an? Does the Qur’an promote suicide bombers and martyrdom? How do Muslims view the Christian world? What is the extent of the threat from radical Islam?

Readers will discover a fuller picture of the Muslim faith and the role of Islam in the world, as well as helpful advice for reasoning with Muslims from the Qur’an and the Bible about Jesus.

A Biblical Point of View on Spiritual Warfare

Every Christian feels the effects of the spiritual warfare that takes place in the unseen, supernatural dimension. It's felt when temptation strikes. It's felt in the struggles between making right and wrong choices. It's felt through a wide variety of influences all around us. How can believers protect themselves?

Current issues expert Kerby Anderson surveys the Bible's guidelines for dealing with spiritual warfare and provides answers to the hard questions people are asking: What is the key to victory over temptation and sin? Is Satan for real, and how does he influence us? Can a believer be demon-possessed? What do angels do, and how are they different from people? How can Christians keep from being spiritually deceived?

This clear and concise guide deals with the many misconceptions people have about Satan, demons, angels, and spiritual warfare. A helpful resource for standing strong in the faith.

Arts, Media, and Culture: A Biblical Point of View

Christians wonder how they are to relate to the culture. Should they merely separate from the world or is there a place for them to transform culture? How does that apply to art and media. What does the Bible say about art and music?

These are significant questions that deserve thoughtful answers. The contributors to this book provide practical, biblical answers so that Christians can evaluate art, media, and culture with biblical discernment.

Christian Ethics in Plain Language

By Kerby Anderson

This book provides a comprehensive introduction to Christian ethics, suitable for individual study or textbook use in a Bible college or seminary. The first four chapters survey of the field of Christian ethics before focusing on specific issues. Eighteen chapters confront all of the issues faced by believers today, including a discussion of racial issues that goes beyond black and white, business ethics on this side of Enron, and war and international relations in light of today's headlines.

Christians and Economics: A Biblical Point of View

By Kerby Anderson

Economics affects our daily lives, and Christians need to think about how to apply biblical principles to money, investment, borrowing, and spending. This book looks at broad economic principles, the challenges we face from globalization and tough economic times, and other important social and economic issues that we face every day.

Kerby Anderson is the President of Probe Ministries and is the host of "Point of View" radio talk show. He is the author of fifteen books.

Christians and Government: A Biblical Point of View

By Kerby Anderson

Government affects our daily lives, and Christians need to think about how to apply biblical principles to politics and government. This book provides an overview of the biblical principles relating to what the apostle Paul calls "governing authorities". This book not only looks at the broad founding principles but also provides an in-depth look at other important political and governmental issues.

Kerby Anderson is the President of Probe Ministries and the host of "Point of View" radio talk show. He is the author of thirteen books.

Creation, Evolution, and Modern Science

By Dr. Ray Bohlin, ed

A collection of articles written by Probe Ministries staff addressing the collision of creation and Darwinian evolution with an introduction to Intelligent Design theory.

Cultural Captives by Stephen Cable

Many different perceptions of the status of religion among American young adults exist in the literature. In particular, are evangelical young adults growing in strength, or holding their own, or dissipating into a reflection of the culture at large?

Stephen Cable attempts to find an answer backed up by multiple relevant surveys of young adults religious and cultural beliefs. The analysis, including a new survey done for Probe Ministries, provides a sobering look at the challenges facing evangelical leaders.

Darwin's Dilemma

Darwin's Racists: Sharon Sebastian & Dr. Ray Bohlin

Mere generations ago, a man named Charles Darwin introduced his Theory of Evolution which permeates today's society. Its premise is that some groups of people are less evolved than others and, therefore, inferior. As a result, millions have died when targeted by race, class or disability. This insightful book explores how Darwin's theory has impacted society over the last 150 years.

Discovering the Designer

Dr. Bohlin's Package

For Dr. Bohlin's course offering, this package includes Discovering the Designer, Darwin's Racists, and Creation, Evolution and Modern Science.

Evidence, Answers, and the Christian Faith

A collection of articles written by Probe Ministries staff laying out basic Christian evidences for the deity of Christ and the divine origin of Scripture, and including answers to some common objections to the faith.

Into the Void: The Coming Transhuman Transformation

Today's technological progress is mankind's greatest achievement, but may lead to total destruction. Technological progress consumes more than it produces, it pursues its own ends not that of humanity. Despite apparent immediate gains, technology makes the human plight worse through exhaustion of resources and spiritual slavery. The solution is as simple as the problem is sublime, step away from the edge of the abyss slowly.

Lawrence Terlizze holds a PhD in Theological Studies from Dallas Theological Seminary and is a Research Associate with Probe Ministries.

Making the Most of Your Money in Tough Times

By Kerby Anderson

Financial tough times are limiting jobs, hurting families, depleting savings, and threatening futures. But a difficult economy can become the catalyst for you to turn to God's Word as you evaluate money, its power, its purpose, and its potential. Kerby Anderson presents a biblical view of money to offer hope and wise direction as you consider:

- godly views of giving, saving, borrowing, and spending money
- how to evaluate "name it, claim it teachings" through God's Word
- embracing financial integrity at home, in churches, and in business
- how to apply biblical stewardship to our economy
- ways to invest and protect money during lean or uncertain times

Whether you are tightening your financial belt or experiencing monetary blessing, you will discover how to honor and serve God with your resources, be a diligent servant, and reap the riches of

faithfulness.

On Two Wings

On Two Wings: Humble Faith and Common Sense at the American Founding by Michael Novak

Contrary to the thinking of those who wish to downplay the importance of religion in the founding of America, Novak presents a compelling case that religion worked hand in hand with reason and common sense in establishing the new nation.

Poverty and Wealth: Why Socialism Doesn't Work

Ronald A. Nash shows why socialism leads to deprivation rather than abundance.

Although this book is over two decades old, the principles it teaches still apply. Nash shows that market economies lead inevitably to abundance and political freedom because they are based on reality. By contrast, socialism results in equal deprivation for the majority and abundance for the privileged few. As William Simon says, "Nash's book presents a clear and concise lesson in the real world of economics for Christians who genuinely wish to help the poor, and who are prepared to learn from the mistakes of the past."

Redeeming Darwin Facilitator's Guide

The guide to prepare you to facilitate a small group study of the Redeeming Darwin DVD based study on Intelligent Design.

The Facilitator's Guide provides background material to prepare you to lead the discussion during each week of the study. It includes Fast Facts to equip you to lead the group and discussion questions to use during the group time..
