Arts, Entertainment, and Christian Values

A collection of articles written by Probe Ministries staff addressing the use and impact of contemporary music, movies, television, computers, and the Internet on society and families. Jerry Solomon, ed.

Arts, Media, and Culture: A Biblical Point of View

Christians wonder how they are to relate to the culture. Should they merely separate from the world or is there a place for them to transform culture? How does that apply to art and media. What does the Bible say about art and music?

These are significant questions that deserve thoughtful answers. The contributors to this book provide practical, biblical answers so that Christians can evaluate art, media, and culture with biblical discernment.

Christian Ethics in Plain Language

By Kerby Anderson
This book provides a comprehensive introduction to Christian

ethics, suitable for individual study or textbook use in a Bible college or seminary. The first four chapters survey of the field of Christian ethics before focusing on specific issues. Eighteen chapters confront all of the issues faced by believers today, including a discussion of racial issues that goes beyond black and white, business ethics on this side of Enron, and war and international relations in light of today's headlines.

Christians and Economics: A Biblical Point of View

By Kerby Anderson
Economics affects our daily lives, and Christians need to think about how to apply biblical principles to money, investment, borrowing, and spending. This book looks at broad economic principles, the challenges we face from globalization and tough economic times, and other important social and economic issues that we face every day.

Kerby Anderson is the President of Probe Ministries and is the host of “Point of View” radio talk show. He is the author of fifteen books.

Christians and Government: A

Biblical Point of View

Government affects our daily lives, and Christians need to think about how to apply biblical principles to politics and government. This book provides an overview of concepts we need to understand to participate as Christians in our political system.

Creation, Evolution, and Modern Science

By Dr. Ray Bohlin, ed
A collection of articles written by Probe Ministries staff addressing the collision of creation and Darwinian evolution with an introduction to Intelligent Design theory.

The Beliefs and Behavior of American Young Adults

Darwin’s Dilemma

Starring Stephen Meyer and Paul Nelson
This major documentary, the third in Illustra's internationally-acclaimed intelligent design series, probes one of the great mysteries of science, the Cambrian explosion, when in a moment of geological time complex animals first appeared on earth fully formed, without evidence of any evolutionary ancestors.

Darwin’s Racists: Sharon Sebastian & Dr. Ray Bohlin

Mere generations ago, a man named Charles Darwin introduced his Theory of Evolution which permeates today’s society. Its premise is that some groups of people are less evolved than others and, therefore, inferior. As a result, millions have died when targeted by race, class or disability. This insightful book explores how Darwin’s theory has impacted society over the last 150 years.

Discovering the Designer

Your host, Kerby Anderson, is joined by Dr. Ray Bohlin and other experts in the field to help you understand the escalating controversy between Darwinism and Intelligent Design. Problems with the current state of evolutionary theory and expanding scientific evidence for an intelligent designer

are presented in a clear, compelling fashion. This DVD will help you to discuss this important topic with your children, family and friends.

The companion Viewer’s Guide with Reference Guide captures the key information from the DVD. The Reference Guide will help you navigate your way through the key concepts and provide insight into the arguments on both sides of this debate.
