

Amazing Grace in John Newton – A Christian Witness Lived and Sung

“How Sweet the Sound”

Are you familiar with the classic song *Amazing Grace*? You probably are. Do you know the inspiring story behind its songwriter? Maybe like I did, you *think* you know the real story, but you don't.

John Newton was an eighteenth century British slave trader who had a dramatic faith experience during a storm at sea. He gave his life to God, left the slave trade, became a pastor, and wrote hymns. “Amazing Grace! (how sweet the sound),” Newton wrote, “That saved a wretch like me! I once was lost, but now am found, was blind but now I see.”[\[1\]](#) He played a significant role in the movement to abolish the slave trade.

Newton's song and story have inspired millions. *Amazing Grace* has been played at countless funerals and memorial services, sung at civil rights events and in churches, and even hit pop music charts when Judy Collins recorded it. It's loved the world over. In South Korea, a local audience asked a coworker and me to sing them the English version; they responded by singing it back to us in Korean.

Newton wrote the lyrics, but the tune we know today did not become linked with them until about 1835, after his death.[\[2\]](#) My university roommate and I used to try to see how many different tunes would fit the *Amazing Grace* lyrics. My favorites were *Joy to the World* (the Christmas carol), *Ghost Riders in the Sky*, and *House of the Rising Sun*. Try them sometime. They work!

Jonathan Aitken has written a biography titled *John Newton: From Disgrace to Amazing Grace*.^{3} Aitken sees some parallels between his own life and his subject's. Aitken was once a prominent British parliamentarian and Cabinet member, but perjury landed him in prison where his life took a spiritual turn. He's now active in prison ministry and Christian outreach.

John Newton's journey from slave trader to pastor and hymn writer is stirring. But it has some surprising twists. You see, Newton only became a slave-ship captain *after* he placed his faith in Christ. And he left the slave trade not because of his spiritual convictions, but for health reasons.

Lost and Found

Newton was the prototypical "bad boy." His devout Christian mother, who hoped he would become a minister, died when he was six. He says that through much of his youth and life at sea, "I loved sin and was unwilling to forsake it."^{4} At times, "I pretended to talk of virtue," he wrote, "yet my delight and habitual practice was wickedness."^{5} He espoused a "freethinking" rationalist philosophy and renounced the Christian faith.^{6}

Flogged and demoted by the Navy for desertion, he became depressed, considered suicide, and thought of murdering his captain.^{7} Traded to work on a slave ship, Newton says, "I was exceedingly wretched. . . . I not only sinned with a high hand myself, but made it my study to tempt and seduce others upon every occasion."^{8}

In West Africa he partnered with a slave trader and negotiated with African chiefs to obtain slaves.^{9} Life was good, he recalled. "We lived as we pleased, business flourished, and our employer was satisfied."^{10} Aitken, the biographer, says Newton engaged in sexual relations with female slaves.^{11}

One day on another ship, Newton was reading—casually, “to pass away the time”—an edition of Thomas à Kempis’ classic, *On the Imitation of Christ*. He wondered, “What if these things were true?” Dismayed, he “shut the book quickly.” {12} Newton called himself a terrible “blasphemer” who had rejected God completely.{13} But then, as Forrest Gump might say, God showed up.

That night, a violent storm flooded the ship with water. Fearing for his life, Newton surprised himself by saying, “The Lord have mercy on us!” Spending long hours at the ship’s helm, he reflected on his life and rejection of God. At first, he thought his shortcomings too great to be forgiven. Then, he says, “I . . . began to think of . . . Jesus whom I had so often derided . . . of His life and of His death . . . for sins not His own, but for those who in their distress should put their trust in Him.”{14}

In coming days, the New Testament story of the prodigal son (Luke 15) particularly impressed him. He became convinced of the truth of Jesus’ message and his own need for it. “I was no longer an atheist,” he writes. “I was sincerely touched with a sense of undeserved mercy in being brought safe through so many dangers. . . . I was a new man.”{15}

Newton discovered that the “new man” would not become perfect. Maturation would be a process, as we’ll see.

From Slave-Ship Captain to Pastor

After his dramatic experience at sea, Newton saw changes in his life. He attended church, read spiritual books, prayed, and spoke outwardly of his commitment. But his faith and behavior would take many twists on the road toward maturity.{16}

Newton set sail again on a slave ship, seeing no conflict between slaving and his new beliefs. Later he led three

voyages as a slave-ship captain. Newton studied the Bible. He held Sunday worship services for his crew on board ship.[{17}](#)

Church services on a slave ship? This seems absolutely disgusting today. How could a dedicated Christian participate in slave trading? Newton, like many of his contemporaries, was still a work-in-progress. Slavery was generally accepted in his world as a pillar of British economy; few yet spoke against it. As Aitken points out, this cultural disconnect doesn't excuse Christian slave trading, but it does help explain it.

During my youth in the US south, I was appalled by racism I observed, more so when church members practiced it. [I concluded](#) that some merely masqueraded as followers of Jesus. Others had genuine faith but—by choice or confusion—did not faithfully follow God. It takes years for some to change. Others never do. Aitken observes that in 1751, Newton's spiritual conscience "was at least twenty years away from waking up to the realization that the Christian gospel and human slavery were irreconcilable."[{18}](#)

Two days before he was to embark on his fourth slave-trading voyage as ship's captain, a mysterious illness temporarily paralyzed Newton. His doctors advised him not to sail. The replacement captain was later murdered in a shipboard slave uprising.[{19}](#)

Out of the slave trade, Newton became a prominent public official in Liverpool. He attended Christian meetings and grew in his faith. The prominent speaker George Whitfield encouraged him.[{20}](#) Life still brought temptations. Newton engaged in the common practice of accepting kickbacks until a business ethics pamphlet by Methodism founder John Wesley prompted him to stop, at significant loss of income.[{21}](#)

Eventually, Newton sought to become an ordained minister, but opposing church leaders prevented this for six years.

Intervention by the Earl of Dartmouth—benefactor of Dartmouth College in the US—helped launch his formal ministry.[{22}](#) Newton was to significantly impact a young Member of Parliament who would help rescue an oppressed people and a nation's character.

Newton and Wilberforce: Faith in Action

William Wilberforce was a rising star in Parliament and seemed destined for political greatness. As a child he had often heard John Newton speak but later rejected the faith. As an adult, conversations with a Cambridge professor had helped lead him to God. He considered leaving Parliament and entering the ministry. In 1785, he sought the advice of his old pastor, Newton.

Newton advised Wilberforce not to leave politics. "I hope the Lord will make him a blessing, both as a Christian and as a statesman," Newton later explained.[{23}](#) His advice proved pivotal. Wilberforce began attending Newton's church and spending time with him privately. Newton became his mentor.[{24}](#)

Perhaps you've seen the motion picture *Amazing Grace* that portrays Wilberforce's twenty-year parliamentary struggle to outlaw the trading of slaves. If you missed it in theaters, I encourage you see it on DVD. It was after spending a day with Newton that Wilberforce recorded in his diary his decision to focus on abolishing the slave trade.[{25}](#) During [the arduous abolition campaign](#), Wilberforce sometimes considered giving up and quitting Parliament. Newton encouraged him to persist, reminding him of another public figure, the biblical Daniel, who, Newton said, "trusted in the Lord, was faithful . . . and . . . though he had enemies they could not prevail against him."[{26}](#)

Newton's biblical worldview had matured to the point that he

became active in the abolition movement. In 1788, he published a widely circulated pamphlet, *Thoughts Upon the African Slave Trade*. "I hope it will always be a subject of humiliating reflection to me," he wrote, "that I was once an active instrument in a business at which my heart now shudders."[\[27\]](#) His pamphlet detailed horrors of the slave trade and argued against it on moral and practical grounds.

Abolitionists sent a copy to every member of both Houses of Parliament. Newton testified before important parliamentary committees. He described chains, overcrowded quarters, separated families, sexual exploitation, flogging, beating, butchering. The Christian slave-ship captain who once was blind to his own moral hypocrisy now could see.[\[28\]](#) Jonathan Aitken says, "Newton's testimony was of vital importance in converting public opinion to the abolitionist cause."[\[29\]](#)

Wilberforce and his colleagues finally prevailed. In early 1807 Britain outlawed the slave trade. On December 21 of that year, grace finally led John Newton home to his Maker.

Lessons from a Life of Amazing Grace

John Newton encountered "many dangers, toils, and snares" on his life's voyage from slaver to pastor, hymn writer, mentor, and abolitionist. What lessons does his life hold? Here are a few.

Moral maturation can take time. Newton the morally corrupt slave trader embraced faith in Jesus, then continued slave trading. Only years later did his moral and spiritual conscience catch up on this issue with the high principles of the One he followed. We should hold hypocrites accountable, but realize that blinders don't always come off quickly. One bumper sticker I like reads, "Please be patient; God is not finished with me yet."

Humility became a hallmark of Newton's approach to life. He

learned to recognize his shortcomings. While revising some of his letters for publication, he noted in his diary his failures to follow his own advice: "What cause have I for humiliation!" he exclaimed. "Alas! . . . How defective [I am] in observing myself the rules and cautions I propose to others!"[\[30\]](#) Near the end of his life, Newton told a visitor, "My memory is nearly gone, but I remember two things: That I am a great sinner and that Christ is a great Savior."[\[31\]](#)

Newton related Jesus' message to current events and everyday life. For him, faith was not some dull, dusty, irrelevant relic but a living relationship with God, having immense personal and social relevance. He grew to see its import in fighting the slave trade. He used both the Bible and friendship to encourage Wilberforce. He tied his teaching to the news of the day, seeking to connect people's thoughts with the beliefs that had changed his life.[\[32\]](#)

Newton was grateful for what he saw as God's providence. Surviving the storm at sea that helped point him to faith was a prime example, but there were many others. As a child, he was nearly impaled in a riding accident.[\[33\]](#) Several times he narrowly missed possible drowning.[\[34\]](#) A shooting accident that could have killed him merely burned part of his hat.[\[35\]](#) He often expressed gratitude to God.

Have you ever considered writing your own epitaph? What will it say? Here's part of what Newton wrote for his epitaph. It's inscribed on his tomb: "John Newton. Once an infidel and libertine, a servant of slaves in Africa was by the rich mercy of our Lord and Saviour Jesus Christ preserved, restored, pardoned and appointed to preach the faith he had long laboured to destroy."[\[36\]](#)
