

“How Can Masons Be Prominent Leaders in the Church?”

My husband read a book that referred to how many Masons are actually serving with the Southern Baptist Convention and other churches. I know as a child I knew of pastors who were Masons and that didn't seem to be a bad thing, but now with all that I've learned, why are these people still prominent leaders in the body of Christ?

Thank you for your inquiry. I appreciate your reading and responding to my article on [Freemasonry](#). Regarding your question concerning the continued “ministry” of men who embrace Freemasonry within the larger church (Baptist) I would suggest the the primary reason is the compartmentalism of one's faith and their involvement in a fraternal organization.

In my view, the problem lies in their inability to allow their faith to influence their lives in its totality. In other words, they separate their Sunday experience (faith life) from the balance of their week (secular life). They are unable or unwilling to assimilate their faith life/walk with their life in general. They do so at their peril—spiritually and relationally with their God.

I also think they do not fully understand scriptural teaching regarding the believers' need to fear God. That is, to have a reverential fear of the Creator. I would suggest a word study of the term “fear God.” It is extremely enlightening to the believer and offers one a sobering perspective. Those who embrace such organizations as Freemasonry do not have such an inclination because they do not want to expose themselves to biblical Truth that would subsequently call them to restructure their thought life/beliefs.

Another key that we cannot over look is the fact that many

within the church are ignorant of the spiritual disconnect between Christianity and fraternal organizations such as Freemasonry. The result of this disconnect renders the church body impotent where biblical orthodoxy is concerned and its application in the church at large.

I trust you will find my thoughts beneficial in your attempt to understand the incongruence of those who embrace occult teachings and their continued leadership within the church.

May our Lord bless your study and enrich your faith!

"How Do I Talk to Family Members About Freemasonry and Edgar Cayce?"

I have just finished reading and re-reading your articles, ["Freemasonry and the Christian Church"](#) and ["Edgar Cayce: The Sleeping \(False\) Prophet."](#)

I have been attempting some research on Freemasonry, since I

recently considered joining the Lodge. Have no fear; I no longer have any desire to be a Mason, since it clearly conflicts with my relationship to Christ. However, my grandfather is a 33rd degree Mason and my wife's grandparents are heavily involved in Freemasonry. He is a past Master (whatever that means), and they both attend meetings and other events (mostly with Eastern Star) several times a week. I know that this year, they are the "Worthy Matron" and "Worthy Patron" for their Eastern Star chapter here in _____. My wife also has a cousin who is planning on joining the Lodge after he leaves the armed forces. They all profess to be Christians. I also have an acquaintance at work who is a Mason – he wears two masonic rings with the compass, square, and "G" symbols. I don't believe that he is a Christian.

My grandfather is also a fan of Edgar Cayce. He has numerous books with his healings and such. He once told me that the two books he reads are the Bible and one of Cayce's.

So my question is, how can I bring up the subject with any of them? I don't know if there are others in the family who are deceived, and don't know who to ask about it. I am very concerned about this issue, since both my wife and I lost our other grandfathers less than two years ago. They were both dedicated to the Lord and we know that we will be with them in His presence for eternity. I want to be sure where our surviving grandparents will be when they pass from this life to the next. My wife's grandfather just turned 71 and my grandfather will be 81 in October.

There is a definite need to educate the Church on this issue. I probably would not know about it if I hadn't been interested in joining.

Thank you for your ministry, and for the biblical truth that you proclaim.

Thanks so much for your question and your desire to learn how

to address such an obviously sensitive issue. Freemasonry has a lot of baggage that makes it oftentimes a heated topic of discussion.

Given the fact that there is a great deal of mystery as to the history and heritage of freemasonry, it would be a mistake to say a Mason cannot be a Christian. Much of it has religious undertones. The question must be, "What kind of religion?" Many in the church have had and still do have a close relationship with this "fraternity." Paganistic religion has also historically been a large contributor to masonic ritual. Depending upon your chosen masonic historian, the history of freemasonry can deal more with one than the other (Christianity and paganism).

Without a doubt, freemasonry is clouded with both Christian and pagan influence today. I'm sure, since you have read our articles on freemasonry and Edgar Cayce, that you know their inconsistencies with biblical faith. That brings us to your question. "How can I bring this up and be assured that my family members are grounded in biblical faith in Jesus Christ?"

It is not necessarily a given that these family members do not know Christ just because of their association with groups and teachers that are misleading. But it is certainly reason for concern. Perhaps you could open a discussion with some questions for them about some of the basic teachings of freemasonry. Since you have shown interest in the past in joining the lodge, they may not see it as "too nose" for you to be asking questions about freemasonry. You could, for instance, ask what the lodge teaches about Jesus? The answer you get is likely to be quite subjective to the particular person you ask. One Mason may say that they teach that Jesus is the only Son of the Father God who redeemed mankind through His atonement, while others may answer that He is one among many religious types to pay heed to. Regardless, you have a segue here that can lead you to share with them who He really

is.

Another question worth asking your family members would be on their view of Scripture. "Is the Bible a unique sacred writing to the Masons?" Again, their view is subject to be quite broad. But you have an opportunity here to probe them to not only answer your questions, but possibly to ask those questions themselves. There is a very good chance that you will be the first person to bring this up in discussion for them. The uniqueness of Scripture makes it substantially superior to the Bhagavad Gita and the Koran, to name only a few. Therefore, you have another inlet for substantial dialogue on the exclusivity of the Christian faith versus the religious pluralism of the masonic perspective.

There are many other subjects of discussion that you may strike a chord with. But the pervading sentiment must be one of humble inquiry. Don't be pushy or opinionated. They will most likely be attracted to your desire to learn from them. Any scent of your attempts to change their minds or to get them out of the lodge will almost definitely send them running. So be honestly interested in what they have to tell you, no matter how off the mark it is. Remember, you are bringing up this conversation in order to determine their destination for eternity. So love them, above all else. Their membership to the lodge is not what determines their fate. It is their relationship to the true Master of all, Jesus Christ, that will chart their eternal course.

I pray that your efforts to bring up these matters before your family will end in a fruitful harvest, also resulting in a deeper relationship between you and your grandparents, cousin, and even your co-worker.

Thanks so much for your e-mail. God rewards those who seek Him.
