

Muslim Conversion

Sept. 1 , 2011

There are so many encouraging stories of Muslims who have committed their lives to Christ. I thought I might share this one from a friend who works with the Jesus film project and is now using a video entitled Magdalena to reach Muslims.

A young Muslim girl was very strong in her belief, choosing to wear a veil even though that is not something that is very common in her region. Nevertheless, she was preaching a strong message of Islam and admonishing every woman in her village to wear a veil and conform to the strict form of Islam.

One day she went to the market to buy a veil for her cousin as a birthday gift. She told the shop keeper that she knew her cousin would not wear the veil. But she felt as a Muslim it was her obligation to convince her cousin that Islamic law requires it.

The shop owner took the opportunity and gave her a Magdalena video telling her, "I am doing the same thing as a Christian. I am not forcing you to view the movie, but my Lord ordered me to share His message of salvation with you. Please watch this movie." She took the movie in order to not offend the shop owner and left with the veil and the movie.

The next day at 9:00 o'clock she returned to the shop with tears in her eyes saying, "I want to tell you one thing: I have worn a veil for almost five years and I wanted my cousin to be veiled. After watching this movie I understood that the best veil I will have with me forever and for every one is the Spirit and the message of Jesus Christ in me. Jesus gave me power, assurance, new life, dignity and peace." She removed her veil and proclaimed with tears and a smile, "I am a Christian now."

This is but one of millions of stories of Muslims coming to Christ due to personal witness, proclamation through broadcasting, and videos. And it illustrates what can happen when we are willing to pass on a tract, a book, or a video to the Muslims we meet. Most of all, we should all be encouraged by what is happening in our world today. I'm Kerby Anderson, and that's my point of view.
