

# Psalm 8

*April 22, 2011*

If you study astronomy for very long, you can feel very small. We are a small planet in one solar system in one of many galaxies. Just consider some of the comments by scientists about our place in the universe.

Werner von Braun said: "We find that we live on an insignificant planet of a humdrum star lost in a galaxy tucked away in some forgotten corner of a universe in which there are far more galaxies than people."

Astronaut Neil Armstrong said he felt very small when he was in space. "It suddenly struck me that that tiny pea, pretty and blue, was the Earth. I put up my thumb and shut one eye, and my thumb blotted out the planet Earth. I didn't feel like a giant. I felt very small."

Stephen Hawking said: "We are just an advanced breed of monkeys on a minor planet of a very average star. But we can understand the universe. That makes us something very special." I don't know about you, but I don't feel very special just because I can understand the universe.

David asks the same question in Psalm 8. Are human beings special? Speaking to God he says: "When I look at your heavens, the work of your fingers, the moon and the stars, which you have set in place, what is man that you are mindful of him, and the son of man that you care for him?"

David then gives God's answer to this important question. "Yet you have made him a little lower than the heavenly beings and crowned him with glory and honor. You have given him dominion over the works of your hands; you have put all things under his feet, all sheep and oxen, and also the beasts of the field, the birds of the heavens, and the fish of the sea,

whatever passes along the paths of the seas.”

Our significance doesn't come from being on planet Earth or even from understanding the nature of the universe. Our significance comes from the fact that an all-powerful, loving God created us in His image and gave us dominion over His creation.

Astronomy interpreted from a naturalistic worldview doesn't give us significance. Only a Christian worldview which teaches that we are God's special creation can give us true significance. I'm Kerby Anderson, and that's my point of view.

## **“Bad Things Are Happening After I Talked to My Angel”**

I'm hoping you can help me. A couple of weeks ago, a friend told me that there was a way to talk to my guardian angel by going into a relaxed, meditative state, and asking “Are you there?”

I didn't believe it would work, but I tried it anyway. Nothing happened, but that night, I was having a strange dream when I was “awakened” by a loud knock at my door. I sat up in my bed and went to ask “who's there?” and nothing would come out of my mouth but a hoarse whisper. I was still dreaming. Then I really woke up and my heart was pounding and then it felt like my bed was slightly trembling. That was on a Tuesday at 12:57am. The following Tuesday, I awoke at the same exact time to tapping on the wall next to my head. Again, it felt as though my bed was trembling. I didn't sleep that night and convinced myself that it was just my heart pounding that caused it. Then it happened 2 more times, once on a tuesday a

half an hour earlier, and then on a friday. I tried looking at it logically the last time it happened. I felt the walls, the floor and the only thing that was shaking was my mattress. The heater is on the other side of my room.

My manager told me to stop burning incense in my room and maybe that would help. I stopped burning it for the past week and nothing has happened. I am scared though, especially after reading the web page on angels and demons in disguise. Please write back to me. If you can advise me, I would greatly appreciate it, and maybe be able to sleep with my light off for once.

You must be terrified! I am so sorry to hear about this series of events. From what you write, I conclude that you really are dealing with demons—and they are terrorizing you. This is where you inadvertently opened the door to them:

*A couple of weeks ago, a friend told me that there was a way to talk to my guardian angel by going into a relaxed, meditative state, and asking “are you there?” I didn’t believe it would work, but I tried it anyway. Nothing happened.*

Actually, something DID happen. Your friend gave you very bad, very dangerous advice. The Bible gives us no instruction or allowance for contacting angels; when you opened yourself up to your “angel,” it was an unholy angel who answered.

Jesus Christ is the only One who has power enough to make the terrorizing stop. The demons are afraid of Him and afraid of His blood. I suggest you pray a prayer entrusting yourself to Him as God’s Son who loved you enough to die (shed His blood) for you. Then, address the demons [out loud](#) by telling them they have to leave in Jesus’ name. You can also say, “I am protected by the blood of Jesus Christ.”

Here’s the deal, though. If you haven’t trusted Christ to save

you, from either your sins or this situation, you have no authority to use Jesus' name and there will be no power behind your words. The words are not magic; the power is in a true relationship with Jesus, where He protects you because you have entrusted yourself to Him.

If you have never trusted Christ as your savior, please read here for a full explanation of what it means: [The Most Important Decision of Your Life](#).

Let me know how you're doing, OK?

## **“Help! I Opened Myself Up to the Devil!”**

I am in need of help! When I was about fifteen years old, I was friends with a man who at that time I did not know was a Satan worshipper. He cut the palm of his hand, I cannot remember if he cut mine or not but, he then rubbed our palms together and he licked the blood from his hand. I really didn't think much of it at that time. Now, I am thirty-seven years old. For the past three years I have been having a lot of trouble with people following me, putting devil symbols in my house and just a lot of different things pertaining to the devil.

I recently remembered this blood act with this man and now recall who he is. I recently found out that his daughter works with me and I really believe she knows what's going on. Although she acts totally innocent. I need to know if there is

**anything I can do to stop all this evilness around me. If you have any suggestions, please let me know.**

Wow. You really do have a stronghold in your life for the evil one to exploit, don't you?

There is a powerful and wonderful resource that has freed thousands of people from exactly this kind of stronghold. Neil Anderson's book *The Bondage Breaker* is excellent, and you should read the whole book, but especially Chapter 12, called "Steps to Freedom in Christ." It is a series of prayers that walk you through all the places where you allowed Satan to gain a foothold in your life, and it helps you renounce them and stop the demonic harassment.

I hope this helps. I know it has helped SO many people in your shoes.

Let me pray for you before I send this.

*Father God, I lift up \_\_\_\_\_ to you and ask that You bring complete freedom to her through the ministry of people in the body of Christ like Neil Anderson. I pray that You would show her exactly what she needs to do to revisit the time when Satan gained an entrance into her heart and mind and life, and that You would protect her from the evil one. Lord God, I pray the holy and precious Blood of Jesus over her and ask that You do whatever it takes to allow that powerful Blood to cleanse \_\_\_\_\_ and make her holy and pure and freed from the traps of the enemy. In Jesus' Name, Amen.*

Let me know what happens, OK?
