

“What’s a Biblical Description of Witchcraft?”

I was just curious if the Bible has any description of what witchcraft is or what characteristics of a person make them a witch?

First of all, here are the biblical references to witchcraft and other occult practices:

DEUTERONOMY 18:9-14

When you enter the land which the LORD your God gives you, you shall not learn to imitate the detestable things of those nations.

There shall not be found among you anyone who makes his son or his daughter pass through the fire, one who uses divination, one who practices witchcraft, or one who interprets omens, or a sorcerer, or one who casts a spell, or a medium, or a spiritist, or one who calls up the dead.

For whoever does these things is detestable to the LORD; and because of these detestable things the LORD your God will drive them out before you.

You shall be blameless before the LORD your God.

For those nations, which you shall dispossess, listen to those who practice witchcraft and to diviners, but as for you, the LORD your God has not allowed you to do so.

LEVITICUS 19:26-28,31

You shall not eat anything with the blood, nor practice divination or soothsaying.

You shall not round off the side-growth of your heads nor harm the edges of your beard.

You shall not make any cuts in your body for the dead nor make any tattoo marks on yourselves: I am the LORD.

Do not turn to mediums or spiritists; do not seek them out to

be defiled by them. I am the LORD your God.

In her excellent book *Lord, Is It Warfare?*, Kay Arthur provides this glossary of terms used in these passages:

DEFINITIONS OF TERMS USED IN DEUTERONOMY 18:9-14 AND LEVITICUS 19:26-28,31

1. **Casts spell:** the act of charming; “tying up” a person through magic; used in the sense of binding with a charm consisting of words of occult power.
2. **Divination:** the act of divining sorcery; soothsaying; pagan contrast to true prophecy or prophesying; man’s attempt to know and control the world and future apart from the true God using means other than human; foretelling or foreseeing the future or discovering hidden knowledge through reading omens, dreams, using lots, astrology, or necromancy.
3. **Interpret omens:** a type of divination; seeking insight or knowledge through signs or events.
4. **Medium:** necromancer; one who foretells events or gains information by conversing with spirits of the dead; conjurer.

Hope this helps!

Wicca: A Biblical Critique

Dr. Michael Gleghorn examines some of the fundamental doctrines of Wicca, offers a biblical critique of those doctrines, and highlights the differences between Wicca and Christianity.

This article is also available in [Spanish](#).

The Goddess and the God

By some estimates, Wicca “appears to be the fastest growing religion in America.”^{1} But what exactly is “Wicca” anyway? One scholar writes, “The modern religion of Wicca, otherwise known as Old Religion, Magick, Witchcraft, the Craft, and the Mysteries, is part of the neo-pagan movement.”^{2} In this article I hope to accomplish two things. First, I want to outline some of the fundamental doctrines of Wicca; second, I want to offer a biblical critique of those doctrines.

Let’s begin with Wiccan theology. Although some Wiccans are devoted exclusively to the Goddess, most worship both the Goddess and the God. Raven Grimassi, a Wiccan scholar, has written, “The Source of All Things, also known as the Great Spirit, is generally personified in Wiccan belief as a Goddess

and a God.”{3}

It’s important to point out that the Goddess and God are merely *personifications* of this ultimate source of all things. The Source itself is both “unknowable” and “incomprehensible.”{4} It is perhaps for this reason that some “Neo-Wiccans” have simply abandoned such personifications altogether, choosing rather to view the gods as simply “detached metaphysical concepts.”{5} But for those who embrace such personifications, the Goddess has often been associated with the moon (and has thus sometimes been called the *Queen of Heaven*).{6} She is also known in three aspects, corresponding to the three stages of a woman’s life: Maiden, Mother, and Crone.{7} She was alleged to have reigned “with a male consort called *The Horned One* who was a nature god and was also associated with the sun.”{8} Interestingly, this god was not only viewed as the consort of the Goddess, he was also her son as well. Each year he was born of the Goddess, became her lover, and died-only to be reborn once more the following year from his own seed! This was known as the Year God cycle and was associated with the fertility of the land and the annual cycles of seedtime and harvest.{9}

Interestingly, modern Wicca shares many similarities with the ancient fertility religions of Canaan, religions specifically condemned by God in the Bible.{10} For instance, the Wiccan Goddess is revered by some as the *Queen of Heaven*, by others as *Astarte*.{11} But in the Bible, the worship of Ishtar, the queen of heaven, and Astarte, or Ashtoreth, is repeatedly condemned, as is the worship of her consort, known sometimes as Baal, sometimes as Tammuz.{12} Thus in Judges 2:11-13 we read: “Then the sons of Israel did evil in the sight of the Lord . . . they provoked the Lord to anger . . . they forsook the Lord and served Baal and the Ashtoreth.” But if the only true God rejected the ancient Canaanite religions and their practices, would His reaction to modern Wicca likely be any different?

The Watchers

"The Watchers is a concept common to most Wiccan Traditions, although they are viewed differently by the various systems within Wicca." [\[13\]](#) Raven Grimassi describes these "Watchers" as "an ancient race who have evolved beyond the need for physical form." [\[14\]](#) However, he is quick to add that, historically, the "Watchers" have been conceived in a diversity of ways. For instance, in the early Stellar myths the Watchers were "gods who guarded the Heavens and the Earth." [\[15\]](#) Later, he says, "the Greeks reduced them to the Gods of the four winds, and the Christians to principalities of the air." [\[16\]](#)

The connection, observed by Grimassi, between the Wiccan concept of the Watchers and the Christian concept of angels may find some validation in the Bible. In Daniel 4:13-17, the pagan king Nebuchadnezzar relates a dream to Daniel. He tells him that during the dream a "watcher, a holy one, descended from heaven" and pronounced a judgment that is said to be "by the decree of the watchers . . . a command of the holy ones . . . that the living may know that the Most High is ruler over the realm of mankind." Most conservative commentators understand the "watchers" in this passage to be angels. One commentator writes, "The king is probably referring to the angels which were known to him through the Babylonian religion." [\[17\]](#) But that these beings are indeed the biblical angels seems evident from the fact that they are acting as *messengers* of the Most High God. [\[18\]](#)

In light of this connection between the "watchers" and angels, it is interesting to note that "Rabbinic and Cabalistic lore" made a distinction between good and evil Watchers. [\[19\]](#) This distinction parallels the biblical distinction between good and evil angels, or angels and demons. Indeed, Grimassi notes, "In the *Secret Book of Enoch*, the Watchers . . . are listed as rebellious angels who followed Sataniel in a heavenly

war.”{20} We find a similar incident recounted in Revelation 12:7-9, where we read of a heavenly war in which Michael and his angels cast Satan and his angels from heaven to earth.

With this in mind it is interesting to note that Richard Cavendish, in his book *The Powers of Evil*, “lists the Watchers as the Fallen Angels that magicians call forth in ceremonial magick.”{21} This remark is especially noteworthy when one considers Grimassi’s comments concerning “the relationship that exists between a Wiccan and the Watchers.”{22} Grimassi points out that “every act of magick that a Wiccan performs is observed and noted by the Watchers.”{23} Furthermore, he says, “There is a definite link between the ‘powers’ of a Wiccan and their rapport with the Watchers.”{24} But since the God of the Bible clearly prohibits magic, is it likely that these “Watchers” should be thought of as good spirits (inasmuch as they oppose the ordinance of God)?{25}

The Art of Magick

Wiccans view magick as a genuine possibility because of humanity’s intrinsic connection both to Deity and a supernatural order. Raven Grimassi states: “The art of magick is one of creation. . . . The power to create from *thoughts* is linked to the divine spark within us. We create in accordance with the divine formula that created all things.”{26}

But how is this possible? Grimassi explains, “The astral plane is the link between the divine world and the physical. . . . Whatever manifests on the astral plane will eventually manifest on the physical plane.”{27} And human thought can manifest on the astral plane.{28} Thus, for one accomplished in the art of Wiccan magick, the power to secure a desired effect in the physical world is alleged to begin with the careful creation of a thought-form on the astral plane.{29} Grimassi continues: “Thought-forms begin to appear in the astral material, which then become vehicles for the spirits or deities that have been invoked (through which they will

respond to the desire of the magickal intent).”{30} If done properly, “the magickal seeds planted in the astral plane” will eventually bear fruit on the physical plane.{31} This is the basic theory behind Wiccan magick. And one practitioner has boasted, “No matter what type of coven magic is used, it is usually effective.”{32}

Might there actually be some truth to this? Indeed, there might. The book of Exodus tells us that the Egyptian magicians were able to duplicate, by means of “their secret arts,” the initial plagues God brought upon Egypt!{33} Furthermore, the text never hints that this was done by any means other than some genuine secret power. In light of this we might ask why God is so opposed to the practice of magic. After all, couldn’t such power be used for good, as well as evil? But God specifically warned the Israelites: “There shall not be found among you anyone” who practices divination, witchcraft, sorcery, or spiritism.{34} Why is this?

Could it be that the “secret power” of magick is due, not to its various rituals, symbols and gestures, but rather to the supernatural intervention of spirit beings? In Acts 16 we read of a demon-possessed slave-girl described as “having a spirit of divination . . . who was bringing her masters much profit by fortunetelling.”{35} This passage clearly ties the power of divination to demons. With this in mind, it’s interesting to remember Grimassi’s admission: “There is a definite link between the ‘powers’ of a Wiccan and their rapport with the Watchers.”{36} Wiccans view the Watchers as a race of highly evolved spiritual beings.{37} But these beings are linked with angels and demons in other religious literature (including the Bible).{38} Is it possible that God prohibits magic because He wants to protect people from involvement with demons?

The Summerland and Reincarnation

Like Christians, Wiccans do not believe that physical death is the end of personal existence. Nevertheless, in its details

the Wiccan doctrine of the “afterlife” differs substantially from the biblical view. How so?

To begin, Wiccans do not accept the biblical doctrines of heaven and hell. Rather, they believe that after physical death, “Wiccans pass into a spirit world known as the Summerland . . . a metaphysical astral realm of meadows, lakes, and forests where it is always summer. It is a Pagan paradise filled with all the lovely creatures of ancient lore, and the gods themselves dwell there.”[\[39\]](#) The Summerland is viewed as a place of rest and renewal for the soul before its rebirth into the physical world.[\[40\]](#)

The belief in the soul’s rebirth into the physical world, also known as reincarnation, is another way in which Wiccan doctrines differ from those of biblical Christianity. Though the doctrine of reincarnation is completely unbiblical, many Wiccans actually believe it is taught in the Bible. Raven Grimassi cites John 9:1-3 as evidence that even Jesus and His disciples believed in reincarnation![\[41\]](#) In this passage Jesus’ disciples ask Him about a man born blind: “‘Rabbi, who sinned, this man or his parents, that he should be born blind?’ Jesus answered, ‘It was neither that this man sinned, nor his parents; but it was in order that the works of God might be displayed in him.’” Grimassi comments: “Jesus does not denounce the question of this man’s existence prior to this birth, but explains that [his blindness] had nothing to do with his sins prior to his present life.”[\[42\]](#) But is this interpretation correct? Is Jesus really affirming that this man existed *prior* to his present life?

It’s important to understand both the disciples’ question, and Jesus’ response, from within the historical context of first century Judaism. “The Jewish theologians of that time gave two reasons for birth defects: *prenatal sin* (before birth, *but not* before conception) and *parental sin*.”[\[43\]](#) In other words, first century Jewish rabbis did not believe that birth defects resulted from bad karma in a previous incarnation! Rather,

they thought such defects arose either from the sins of the parents being visited upon their children, or from the sin of the child while still in the mother's womb.[{44}](#) Although Jesus denies that either of these causes was responsible for this man's blindness, we must still bear in mind that His *disciples* were asking this question from within a first century Jewish context. We must also remember that elsewhere the New Testament explicitly affirms, "[I]t is appointed for men to die once and after this comes judgment."[{45}](#) Thus, far from affirming the Wiccan doctrine of reincarnation, the New Testament clearly denies it.

Is Wicca Another Way to God?

Scott Cunningham claimed, "All religions have one ideal at their core: to unite their followers with Deity. Wicca is no different."[{46}](#) He also wrote, "Perhaps it's not too strong to say that the highest form of human vanity is to assume that your religion is the only way to Deity."[{47}](#) But is it really true that there are many ways to God, or is there only one?

Although it's quite common in today's pluralistic society to assume that all the enduring religious traditions of mankind are equally valid ways to God or Ultimate Reality, there are tremendous philosophical difficulties with this belief. Since we are here concerned with both Wicca and Christianity, let's briefly compare some of the fundamental tenets of these two religions and see what we come up with.

Wiccans appear to believe in the essential divinity of human nature. Raven Grimassi writes, "[E]verything bears the 'divine spark' of its creator."[{48}](#) He also claims, "Souls are like brain cells in the mind of the Divine Creator, individual entities and yet part of the whole."[{49}](#) Thus, there doesn't seem to be any clear distinction in Wicca between humanity and Deity. This explains why the Witch Starhawk could confidently declare, "there is nothing to be saved *from* . . . no God outside the world to be feared and obeyed."[{50}](#)

Christianity, however, maintains a firm distinction between God and man. Man is created in God's image, but he is neither God nor a part of God. Furthermore, although man bears God's image, his nature has been corrupted by sin, which separates him from God. Man's need, therefore, is to be saved from his sins and reconciled to God. This explains the significance of Christ for Christianity. As Peter put it, "Christ . . . died for sins once for all . . . that He might bring us to God."[\[51\]](#) Christians believe that God dealt fully and finally with man's sin through the death and resurrection of His Son.[\[52\]](#) Thus, contrary to Wicca, Christianity teaches that there *is* something to be saved from and that there *is* a God outside the world to be both feared and obeyed.

Because of their differences, the law of non-contradiction makes it impossible for both of these religions to be true. It's therefore interesting to note Charlotte Allen's observation: "In all probability, not a single element of the Wiccan story is true. The evidence is overwhelming that Wicca is . . . a 1950s concoction . . . of an English civil servant and amateur anthropologist" named Gerald Gardner.[\[53\]](#) But surely such questionable historical origins cast doubt on the truth of Wiccan religious beliefs as well. Christianity, however, is firmly rooted in the historical reality of Jesus of Nazareth, whose claim to be the *only* way to God was clearly vindicated when God "furnished proof to all men by raising Him from the dead."[\[54\]](#)

24. Ibid. This is not to imply that Wiccans explicitly worship Satan or demons (understood in the Christian sense). They are very careful to say they do not, and we should take them at their word. At the same time, is it legitimate to ask if one can be deceived by the devil without actually worshipping the devil? For while Wiccans may not worship the devil, the Bible seems to indicate that they have nonetheless been deceived by him. Wicca, for example, rejects the biblical doctrines of God, man, Christ, sin, salvation, etc. As a religion, therefore, Wicca helps prevent men and women from coming to a saving knowledge of God through faith in Jesus Christ. The Bible, however, declares that this is also one of the activities of Satan! It reveals that the devil "has blinded the minds of the unbelieving" to keep them from saving faith in Christ (see 2 Cor. 4:3-4). It is for this reason that Christians, while acknowledging that Wiccans do not worship the devil, nonetheless view the religion of Wicca as a means of Satanic deception since it keeps its followers from saving faith in Christ.

Harry Potter

How should wise Christian parents look at the Harry Potter phenomenon? Chances are your kids or grandkids are clamoring to read these incredibly best-selling books. And since only the first of the four books (out of a planned total of seven) is out in paperback, buying these thick hardback books requires a considerable cash outlay as well.

There is a lot to be said in favor of these books:

- They are very well-written fantasy, and a pleasure to read. Even adults enjoy reading them to children—and to themselves. (In England, there is an edition produced especially for adults who are embarrassed to be seen reading a children's book!)
- Because they are written for young boys, they captivate the imagination of almost *all* children.

- They tap into the poignancy of the powerlessness of children, which is a painful part of being young.
- They are full of real-life situations, ranging from the embarrassing to the hurtful to the scary to the satisfying, that real-life kids experience.
- They pit good against evil, with the good guys really being the *good* guys.
- They are getting hundreds of thousands of kids excited about reading.

But there's one substantial difficulty with the Harry Potter series. They make sorcery and witchcraft enticing to the reader. And that is not consistent with a Christian worldview, where we are called to "take every thought captive to the obedience of Christ"[{1}](#). God gives us very strong and clear commands about witchcraft: it is a sin,[{2}](#) it is an abomination before God,[{3}](#) and the Old Testament penalty for sorcery or witchcraft was death.[{4}](#) The proscription against the practice of magic is continued in the New Testament.[{5}](#)

When Christians and other conservative people make this complaint against the Harry Potter books, one often hears a condescending dismissal about the evils of censorship. No mention is made of the substance of the concern with witchcraft itself, which is a reasonable one.

Fantasy vs. Real-World

Many people impatiently respond, "But it's *fantasy*! It's only make-believe! Nobody's going to really *believe* that this stuff is true!" But the author J.K. Rowling revealed in *Newsweek* that she gets "letters from children addressed to Professor Dumbledore [headmaster at Hogwarts School of Witchcraft and Wizardry, the books' setting], and it's not a joke, begging to be let into Hogwarts, and some of them are really sad. Because they want it to be true so badly they've convinced themselves

it's true."{6} She answers those letters herself.

I think it's important to point out that there is an important difference between the fantasy magic of the world of Harry Potter, and the real-world magic that is condemned in the Bible. The fact that J.K. Rowling doesn't believe in witchcraft except as presented in the centuries-old British myths is important; she honestly isn't hoping to draw children into the world of the occult (from everything I have read about her). Unfortunately, that doesn't mean it won't happen. Some people are going to be more sensitive to the draw of the occult, just as some people's bodies are going to be more sensitive to alcohol. The only responsible choice for both kinds of people is complete abstinence.

Connie Neal has written a book, [*What's a Christian To Do with Harry Potter?*](#). I really liked the way she explains the distinction between fantasy magic and occult (real-world) magic to kids: The magic in *Harry Potter* is make-believe, but the real-world magic in our world ALL falls in the category of "Dark Arts" magic, and those who play with it or pursue it are making themselves vulnerable to a very real evil spirit like Lord Voldemort. There is no such thing as everyday or good magic. Supernatural power that doesn't come from God is all evil. Kids can understand those kinds of boundaries.

Some people have likened the Harry Potter books to C.S. Lewis' *The Chronicles of Narnia*. While they are both fantasy literature, one is designed to create a thirst for Jesus and for heaven, and the other may create a thirst for power and manipulation. C.S. Lewis writes from a strong Christian worldview; J.K. Rowling writes from a naturalistic worldview that includes magic as a fact of life but excludes God. And by making witchcraft and wizardry so appealing, Harry Potter may be an alarmingly attractive door to the occult for some readers.

Can Harry Potter Be OK?

Is it possible to read the Harry Potter books without stumbling? If one's discernment filter is well-exercised and in place, yes. But is it wise? That depends on the individual—and it should definitely be a decision each parent makes for his or her own children. If we can watch *The Wizard of Oz* with our kids and not conclude that the presence of a couple of witches will send our kids into the occult, then we can practice the same discernment about Harry Potter.

Hoping the Harry Potter phenomenon will just go away is about as practical as wishing away Christmas. You know your child; for some children, trying to keep them away from the books will only tempt them to read the books on the sly. In some cases, I believe it would be wiser for a parent or teacher to intentionally use them as a teaching tool to help develop children's "discernment muscles."

Just as we would never send children out to play in the street alone, it's a different story when we take their hands to walk them across the street, teaching them about safety in the process. In the same way, I would suggest that handing a Harry Potter book to a child to read on his own is the spiritual equivalent of sending a child out to play in the street. Or worse, sending her out into a minefield. However, it can be an invaluable experience for a parent to read the book out loud, stopping to ask questions that will help a child recognize the spiritual counterfeits that comprise witchcraft.

For example, there are several incidents of conjuring, where witches and wizards wave a magic wand and instantly produce things like food for a banquet. Conjuring is a counterfeit of the way God creates *ex nihilo*, out of nothing. Casting spells, such as speaking the word "Lumos!" to make one's magic wand become a light source, is a counterfeit of God's ability to speak things into existence.^{7} Bewitching cars to make them fly and ceilings to twinkle like the night sky is a counterfeit of Christ's ability to do miracles like walking on water and feeding the 5,000 with five loaves and two fishes.

Harry's invisibility cloak should be pointed out as make-believe, but God is always and true-ly with us even though He's invisible.

Despite the witchcraft in the Harry Potter books, there are clear moral lessons that can be discussed. Children can understand the painfulness of discrimination as they are encouraged to think through the emotions of being despised simply because one's parents are non-magical Muggles. They can identify the ugliness of arrogance and pride displayed by Harry's Muggle family and his school tormentor, Draco Malfoy. The author has done a magnificent job of portraying the evil of Harry's arch-nemesis, Lord Voldemort, and children can be encouraged to talk about what makes evil, evil. This would provide an excellent opportunity to teach them that God has a plan to put an end to evil forever, and He proved it by disarming Satan at the cross.

A Final Warning

The Harry Potter books have a lot going for them, but there is potential spiritual danger in the way they make witchcraft so appealing to some people. There is not a clear-cut answer to this question because it is a modern-day "disputable matter." (See 1 Cor. 8 and Romans 14.) Some people will have freedom to read the books and see the movie without it violating their conscience; others cannot do that. I think it's important for those with freedom not to boast about their freedom or look down their noses at those who choose not to get into Harry Potter, and it's equally important for those who have been led to avoid Harry Potter not to judge those who haven't been led that way.
