

# Can You Forgive Michael Vick?

Public reaction to football star Michael Vick's confession and apology for dog fighting has been passionate and polarized. Was he sincere? Or was it just a last resort when cornered by the law, a PR move to help rehabilitate his image and financial future?

The crimes were abhorrent. Underperforming canines were executed by hanging and drowning. This sickening stuff hits many folks in their guts, hard and deep.

He faces legal consequences. But should you and I forgive him?

## Genuine Contrition?

Vick says, "Dog fighting is a terrible thing, and I did reject it. I'm upset with myself through this situation I found Jesus and asked him for forgiveness and turned my life over to God."[<sup>\[1\]</sup>](#)

Smooth but not convincing, cry some. It's just a show. He's a disgusting person and a terrible role model. Off with his head! Others quote English poet Alexander Pope, "To err is human, to forgive divine."

Perhaps time will tell how sincere he was. Some wonder, Michael Vick didn't do anything to me, so *for what* could I forgive him? True, he may not have harmed you personally. But he did violate society's laws and many people's sense of decency. Public figures' actions can have wide social impact. The fact that lots of kids looked up to him compounds the anger many feel when they indicate they could never accept his apology or forgive him for the harm he's done.

Indeed, negative feelings expressed toward Vick sometimes sound visceral, as if the speakers themselves had been injured. Frederic Luskin, former director of the Stanford

Forgiveness Project, says, "Our bodies react as if we're in real danger right now to a story of how someone hurt us seven years ago. You're feeling anger, your heart rhythm changes breathing, gets shallow."[\[2\]](#)

Can you and I forgive Michael Vick?

Consider a wise woman who wrestled with similar feelings. Corrie ten Boom and her Dutch family hid Jews from the Nazis during World War II. For this she endured Ravensbruck, a concentration camp. Her inspiring story became a famous book and film, *The Hiding Place*.

## Chilling Memories

In 1947 in a Munich church, she told a German audience that God forgives.[\[3\]](#) When we confess our sins, she explained, God casts them into the deepest ocean, gone forever. After her presentation, she recognized a man approaching her, a guard from Ravensbruck, before whom she had had to walk naked. Chilling memories flooded back.

A fine message, *Fraulein!* said the man. How good it is to know that, as you say, all our sins are at the bottom of the sea! He extended his hand in greeting.

Corrie recalled, "I, who had spoken so glibly of forgiveness, fumbled in my pocketbook rather than take that hand. He would not remember me. . . But I remembered him and the leather crop swinging from his belt. I was face to face with one of my captors, and my blood seemed to freeze."

The man continued: "You mentioned Ravensbruck in your talk.... I was a guard there. But since that time I have become a Christian. I know that God has forgiven me for the cruel things I did there, but I would like to hear it from your lips as well, *Fraulein*." He extended his hand again. "Will you forgive me?"

# Forgive Him?

Corrie stood there, unable to forgive. As anger and vengeful thoughts raged inside her, she remembered Jesus' death for this man. Of His executioners He said, "Father, forgive these people, because they don't know what they are doing." {4}

How could she refuse? But she lacked the strength. She silently asked God to forgive her and help her forgive him. As she took his hand, she felt a healing warmth flooding her body. "I forgive you, brother!" she cried, "With all my heart."

And so, Corrie later recalled, "I discovered that it is not on our forgiveness any more than on our goodness that the world's healing hinges, but on [God's]. When He tells us to love our enemies, He gives, along with the command, the love itself."

If Corrie could forgive one who did her such harm, should we be willing to consider forgiving a public figure whose actions harm society? Could what Corrie found in faith help manage overwhelming anger and rage?

Will you and I forgive Michael Vick?

# Forgiveness, Reconciliation, and You

## Forgiveness Can Be Good for Your Health

Have you ever been cheated or mistreated? Got any lingering grudges you're holding onto? Is there any "unclear air" between you and a family member, neighbor, or coworker regarding a dispute, a slight, an offense? Could those situations use some forgiveness?

More and more medical doctors and social scientists are extolling the benefits of forgiveness and reconciliation, benefits both to individuals and to society. This article examines some of these benefits and presents several inspiring case studies, stories of forgiveness in action.

Would you believe that forgiveness can be good for your health? Lingering anger, stress, or high blood pressure could indicate that you need to forgive someone (or to be forgiven yourself). Many religions—including, of course, the Christian faith—have long held that forgiveness is an important component of a fruitful life. Now secular research supports its value.[\[1\]](#)

In the early 1980s, Kansas psychologist Dr. Glenn Mack Harnden searched in vain to find studies on forgiveness in the academic digest *Psychological Abstracts*. Today there exist an International Forgiveness Institute and a ten-million-dollar "Campaign for Forgiveness Research" (Jimmy Carter and Desmond Tutu have been among the ringleaders). The John Templeton Foundation awards grants in the field.

Harnden says forgiveness “releases the offender from prolonged anger, rage, and stress that have been linked to physiological problems, such as cardiovascular diseases, high blood pressure, hypertension, cancer, and other psychosomatic illnesses.”[\[2\]](#)

He’s big on this theme. When I ran into him in Washington, DC, a while back, he spoke enthusiastically about attending an international gathering in Jordan that saw forgiveness between traditional individual enemies like Northern Irish and Irish Republicans, Israelis and Palestinians.

George Washington University medical professor Christina Puchalski cites forgiveness benefits supported by research studies. Writing in *The Yale Journal for Humanities in Medicine*, she says, “The act of forgiveness can result in less anxiety and depression, better health outcomes, increased coping with stress, and increased closeness to God and others.” [\[3\]](#)

Daily life brings many sources of conflict: spouses, parents, children, employers, former employers, bullies, enemies. If offense leads to resentment and bitterness, then anger, explosion, and violence can result. If parties forgive each other, then healing, reconciliation, and restoration can follow.

## **Startling Contrition**

Robert Enright is an educational psychology professor at the University of Wisconsin–Madison and president of the International Forgiveness Institute. He laments the fact that despite society’s conflicts, “almost never do we hear public leaders declaring their belief that forgiveness can bring people together, heal their wounds, and alleviate the bitterness and resentment caused by wrongdoing.”[\[4\]](#)

The year 2006 brought a startling example of contrition by

Adriaan Vlok, former Law and Order Minister under South Africa's apartheid regime. During the 1980s, racial conflict there boiled.

In 1998, Adriaan Vlok confessed to South Africa's Truth and Reconciliation Commission that ten years earlier in 1988 he had engineered the bombing of the headquarters of the South African Council of Churches, a prominent opposition group. The bombing campaign also included movie theaters showing "Cry Freedom," an anti-apartheid film.<sup>{5}</sup> I had tickets to see "Cry Freedom" in Pretoria the night it opened, but the screening was cancelled. The next morning, a bomb was discovered in the theater I would have attended.

You can imagine my interest when BBC television told of Vlok's 2006 attempt to reconcile personally with Rev. Frank Chikane, former head of the South African Council of Churches, the group whose headquarters Vlok had bombed. Chikane, now director general of the South African president's office, reports that Vlok visited his office and gave him a Bible with these words inscribed: "I have sinned against the Lord and against you, please forgive me (John 13:15)." That biblical reference is Jesus' Last Supper admonition that his disciples follow his example and wash one another's feet.

Chikane tells what Vlok did next: "He picked up a glass of water, opened his bag, pulled out a bowl, put the water in the bowl, took out the towel, said 'you must allow me to do this' and washed my feet in my office." Chikane gratefully accepted the gesture.<sup>{6}</sup>

Vlok, a born-again Christian, later told BBC television it was time "to go to my neighbor, to the person that I've wronged." He says he and his compatriots should "climb down from the throne on which we have been sitting and say to people, 'Look, I'm sorry. I regarded myself as better than you are. I think it is time to get rid of my egoism . . . my sense of importance, my sense of superiority.'"<sup>{7}</sup>

Startling contrition, indeed.

## Strength to Forgive

Have you ever unexpectedly encountered someone who has wronged you? There you are, suddenly face-to-face with your nemesis. How do you feel? Frederic Luskin, director of the Stanford Forgiveness Project, says, “Our bodies react as if we’re in real danger right now to a story of how someone hurt us seven years ago. . . . You’re feeling anger, your heart rhythm changes . . . breathing gets shallow.”[\[8\]](#)

## **“My Father, the Town Alcoholic”**

When Stanford education and psychology professor Carl Thoresen and his colleagues began recruiting adult subjects for the Stanford Forgiveness Project, they had trouble signing up males. When they started using the terms “grudge” and “grudge management” in the recruiting, the men came. Thoresen thinks some men felt “forgiveness” was a feminine activity, but a “grudge” was something they probably should deal with.[{10}](#)

Consider a guy who had a longstanding grudge involving a family member. And aren’t family conflicts often causes of intense stress?

As a teenager on the family farm, Josh McDowell loved his mother but despised his father “more than anyone else in the world.”[{11}](#) His friends would joke about his dad being drunk. It tore him up inside. “I hated my father for the embarrassment and shame his alcoholism caused my family,” McDowell relates. “I also resented what it caused him to do to my mother. I’d go out in the barn and see my mother beaten so badly she couldn’t get up, lying in the manure behind the

cows.” Eventually his mother lost the will to live and died, Josh says, “of a broken heart.”

In college, Josh met some followers of Jesus whom he liked. Skeptical about Christianity’s validity, he accepted their challenge to examine evidence regarding Jesus’ claims and found it convincing.[\[12\]](#) He thanked Jesus for dying for him, admitted his flaws to God, and asked Christ to enter his life and take over. Soon he realized he no longer hated his father.

Josh says, “I had confessed to God my feelings for my dad, asked God to forgive me, and prayed that I could forgive. And it happened as quickly as I asked. No longer was my dad a drunk to be hated. Now I saw him as a man who had helped give me life. I called him and told him two things I had never told him before: ‘Dad, I’ve become a Christian and . . . I love you.’”

“But how . . . how can you love a father like me?” Josh’s dad asked on another occasion. Josh explained how to place his faith in Christ and his father made that decision, too. About fourteen months later, his alcohol-ravaged body gave out and he died. But the changed life of the town alcoholic influenced scores of people to place their lives in God’s hands. “My dad’s life was brand new those last 14 months,” recalls Josh. “His relationship with me and with God were both reconciled. Jesus Christ is a peacemaker.”

## **Forgiveness, Reconciliation, and You**

Secular research supports the value of forgiveness, a concept at the core of Christian faith. You might wonder, “How does all this relate to me personally?” May I offer some suggestions?

As a starting point, *become forgiven yourself*. The late and renowned ethicist Lewis Smedes wrote, “Forgiving comes naturally to the forgiven.”[\[13\]](#) Josh McDowell says once he was

forgiven by God, he could forgive his alcoholic father. If you've never known for sure that God is your friend, I encourage you to ask Him to forgive you. You might say something like this to Him right now:

*Jesus, I need you. Thanks for dying for my flaws and rising again. I ask you to forgive me and enter my life. Please help me to become good friends with you.*

If you asked Jesus to forgive you and enter your life, He did. Tell another believer about your decision. Contact this radio station or the Web site [Probe.org](http://Probe.org) and ask how you can grow in your faith.

If you've already come to faith in Christ, *keep short accounts with God*. One early follower of Jesus wrote, "If we confess our sins to [God], he is faithful and just to forgive us and to cleanse us from every wrong."[{14}](#) The proverbial country preacher said, "I 'fesses 'em as I does 'em."

*Ask God to give you the strength to forgive others and love them as He does*. Lewis Smedes mentions three components of forgiving others: "First, we surrender our right to get even. . . . Second, we rediscover the humanity of our wrongdoer . . . that the person who wronged us is a complex, weak, confused, fragile person, not all that different from us. . . . And third, we wish our wrongdoer well."

*Contact the person you've wronged—or who has wronged you—and seek to make peace if appropriate and possible*. The biblical prescription is that the offender and the offended should run into each other as each is en route to contact the other.[{15}](#) Of course, not everyone will want to reconcile, but you can try.

*Realize that forgiving may take time*. Shortly before his death, Oxford and Cambridge scholar C. S. Lewis wrote, "I think I have at last forgiven the cruel schoolmaster who so

darkened my youth. I had done it many times before, but this time I think I have really done it.”[\[16\]](#)

Forgiveness and reconciliation can be contagious. They can make an important difference in families, neighborhoods, workplaces, and nations. A good relationship takes two good forgivers.

Is there anyone with whom you need to reconcile?
