

Probe Responses to “The Shack”

Probe Ministries Administrator

Probe staff members are not unanimous in their responses to *The Shack*. Sue Bohlin enjoyed it as “a good book with problems,” and former staffer Pat Zukeran sees value in the book but is concerned enough about the theological problems to give it a “thumbs down.” Those of us who have read the book have a difference of opinion with each other, but we remain friendly and mutually respectful even as we disagree.

The movie is faithful enough to the book that our takeaways still stand.

Critique of “The Shack” - A Christian Theologian’s Perspective

Dr. Patrick Zukeran

Dr. Zukeran commends the author on attempting to make the gospel accessible. However, from a Christian theologian's perspective, he also warns us that the book presents confused pictures of the nature of God, the Son, and the way to salvation. The book can act as a great starting point for discussion, but do not rest your theology upon the pages of this fictional book.

The Shack by William Young has become a *New York Times* bestseller. Eugene Peterson, Professor Emeritus of Spiritual Theology at Regent College, Vancouver, B.C. writes, "The book has the potential to do for our generation what John Bunyan's *Pilgrim's Progress* did for his. It's that good." Many Christians say that the book has blessed them. However, others have said that this book presents false doctrines that are heretical and dangerous. The diversity of comments and questions about the book created a need to research and present a Biblical critique of this work.

William Young creatively writes a fiction story that seeks to answer the difficult question of why God allows evil. In this story the main character, Mackenzie Allen Philips, a father of five children, experiences the unthinkable painful tragedy of losing his youngest daughter to a violent murder at the hands of a serial killer. Through his painful ordeal he asks the questions, "How could God allow something like this to happen?" and "Where was God in all this?"

One day he receives an invitation to meet God at the shack where his daughter was molested and killed. There he meets God the Father who appears as a large African-American woman named Papa, God the Son who appears as a Middle

Eastern Man in a leather tool belt, and God the Holy Spirit who appears as an Asian woman named Sarayu. In this place over the course of a few days Mack asks each member of the triune God difficult questions about life, eternity, the nature of God, evil, and other significant issues with which every person struggles in their lifetime. Through several dialogues with each member of this “Trinity,” Mack receives answers, and through these answers we learn about the nature of God and the problem of suffering and evil.

COMMENDABLE FEATURES

The Shack creatively addresses a relevant and difficult issue of God and the problem of evil. Young answers the problem of God and evil with the free will argument, which states that God created people with the free will to commit evil. Young also emphasizes that God has an ultimate plan for our lives which cannot be overcome, even by acts of evil. As humans, we are limited finite creatures who cannot see how all things can fit together or how even evil events might somehow fulfill God’s ultimate plan. God is good, and God is love. Therefore, what He allows is filtered through His love and infinite wisdom. God permits individuals to exercise their free will even if they choose to go against His commands. In His love, He does not impose His will on us. When we choose to do evil, these actions hurt Him deeply. Often we cannot understand events that happen in our lives; however, we are asked to trust God even when we cannot see or comprehend why He allows things to happen. In fact Young points out that taking away our freedom would not be the best thing for God to do. I believe Young does a decent job of tackling the difficult issue of evil. He does attempt to answer a very difficult question in a creative way that many will find engaging.

Young also emphasizes the intimate relationship we are to have with God. There is a danger that a believer’s faith can become cerebral and neglect the emotional, heart aspect of one’s walk with God. A faith that is only centered on knowing doctrine only can be a cold kind of faith (Rev. 2:4-5).

CRITICISMS OF *THE SHACK*

I commend Young for attempting to wrestle with a difficult issue in a creative manner. Young is not a trained theologian or Bible scholar. He wrote this book for the purpose of sharing his experience and insight as he worked through personal tragedy in his life. He does attempt to be orthodox in his theology but there are some apparent errors. I do not doubt his sincerity or his relationship with God. He is a brother in Christ and it is my goal to present an accurate critique of his work.

In seeking to address the issue of God and the problem of evil, the author presents flawed theological views that confuse the nature of God. One of my concerns is the emphasis on experience and how it is given emphasis equal to or stronger than the Bible. Young refers to the Bible superficially; however, his primary focus in this work is on experience. In fact, he unfortunately makes some critical remarks regarding the sole authority of the Word and the training needed to interpret it properly:

In seminary he had been taught that God had completely stopped any overt communication with moderns, preferring to have them only listen and follow sacred scripture, properly interpreted, of course. God's voice had been reduced to paper, and even that paper had to be moderated and deciphered by the proper authorities and intellects. It seemed that direct communication with God was something exclusively for the ancients and uncivilized, while educated Westerners access to God was mediated and controlled by the intelligentsia. Nobody wanted God in a box, just in a book. (p. 65)

Throughout the book, he criticizes Biblical teachings as “religious conditioning” or “seminary teaching” (p. 93). Young’s intention may be to encourage the audience to break stereotypes in their thinking about God. This is commendable, for we must constantly examine our theology of God and evaluate whether we have adopted false stereotypes in our understanding of God. It may not have been

the author's intent to devalue the word of God or theological training. However, comments like these give that impression.

Our theology must be consistent with God's Word. God will not reveal Himself or communicate in ways that are contrary to His Word. God is not limited to words on a page; He also communicates through His creation or general revelation (Rom. 1). However, God has given us special revelation and communicated specific truths about His character in His Word. If God reveals and communicates information that is contrary to His Word, then He could not be a God of truth. There are truths that are not mentioned in the Bible, but those facts should be consistent and not contrary to the Word of God. It was unfortunate that there were more critical remarks made on biblical training and not a stronger emphasis to study and exhort believers to be diligent students of the word (2 Tim. 2:15).

Confusion Regarding the Nature of God

Young presents several incorrect and confusing teachings regarding the nature of God and salvation. In this story, God the Father appears as a large African-American woman. In contrast, the Bible teaches that the Father never takes on physical form. John 4:24 teaches that God is spirit. 1 Timothy 4:16 states, "God, the blessed and only ruler, the King of kings and Lord or lords, who alone is immortal and who lives in unapproachable light whom no one has seen or can see." To add to this, God appears as a woman named "Papa." It is true that God is neither male nor female as humans are, and both feminine and masculine attributes are found in God. However, in the Bible God has chosen to reveal Himself as Father and never in the feminine gender. This gender distortion confuses the nature of God.

In the story, God the Father has scars on His wrists (p. 95). This is contrary to Biblical teaching in which only Jesus became human and only Jesus died on the cross. It is true the Father shared in the pain of Christ's suffering, but God stood as the judge of sin, not the one who suffered on the cross. Christ bore the burden

of our sins; God the Father was the judge who had to render His judgment on His Son.

God the Father says “When we three spoke ourselves into human existence as the Son of God, we became fully human” (p. 99). Young teaches that all three members of the Trinity became human. However, scripture teaches that only the Son, not all members of the Trinity, became human. This distorts the uniqueness and teaching of the incarnation.

Confusion Regarding the Son

In this story, Jesus appears as a Middle Eastern man with a plaid shirt, jeans, and a tool belt. In the Bible, Jesus appears as a humble servant veiling His glory (Phil. 2). After the resurrection, Jesus retains His human nature and body but is revealed in a glorified state. He appears in his glorified and resurrected body and His glory is unveiled (Revelation 1).

As the incarnate Son of God, Jesus retained His divine nature and attributes. His incarnation involved the addition of humanity, but not by subtracting His deity. During His incarnation He chose to restrict His use of His divine attributes, but there were occasions in which He exercised His divine attributes to demonstrate His authority over creation. However, in *The Shack* God says:

Although he is also fully God, he has never drawn upon his nature as God to do anything. He has only lived out of his relationship with me, living in the very same manner that I desire to be in relationship with every human being. He is just the first to do it to the uttermost - the first to absolutely trust my life within him, the first to believe in my love and my goodness without regard for appearance or consequence. . . . So when He healed the blind? He did so as a dependent, limited human being trusting in my life and power to be at work within him and through him. Jesus as a human being had no power within himself to heal anyone (p. 99-100).

First, it is not true that Jesus “had no power within himself to heal anyone.” Jesus, as the incarnate Son of God, never ceased being God. He continued to possess full and complete deity before, during, and after the incarnation (Colossians 2:9). He did do miracles in the power of the Spirit, but He also exercised His own power (Lk. 22:51; Jn. 18:6). Young appears to be teaching the incorrect view of the incarnation that Christ gave up His deity, or aspects of it, when He became human.

Confusion Regarding the Holy Spirit

In this story, the Holy Spirit appears as an Asian woman named Sarayu. In contrast, the Holy Spirit never appears as a person in the Bible. There is one time when the Holy Spirit appears in physical form as a dove at the baptism of Jesus. Moreover, the Spirit is never addressed in the feminine but is always addressed with the masculine pronoun.

Confusion Regarding the Trinity

The first inaccuracy regarding the Trinity is that in this story, all three members of the Trinity take on human form. This confuses the doctrine of the incarnation, for Scripture teaches that only Jesus takes on human form.

The second inaccuracy presented in *The Shack* is the idea that the relationship taught between the members of the Trinity is incorrect. In the book, “God” says, “So you think that God must relate inside a hierarchy like you do. But we do not” (p. 124). Young teaches that all three members of the Trinity do not relate in a hierarchical manner (p. 122-124).

In contrast, the Bible teaches that all three members of the Trinity are equal in nature while there also exists an economy, or hierarchy, in the Trinity. It describes the relationship of the members of the Godhead with each other, and this relationship serves as a model for us. The Father is the head. This is demonstrated in that the Father sent the Son. The Son did not send the Father,

(Jn. 6:44, 8:18, 10:36). The Son also is the one who sends the Holy Spirit (Jn. 16:7). Jesus came down from heaven, not to do his own will, but the will of the Father (John 6:38). The Father is the head of Christ (1 Cor. 11:3). 1 Cor. 15:27-28 speaks of creation being in subjection to Jesus, and then in verse 28, Jesus will be subjected to the Father. The Greek word for “will be subjected” is *hupotagasetai* which is the future passive indicative. This means that it is a future event where Jesus will forever be subjected to the Father. These passages teach that there is indeed a hierarchy within the Trinity in which all three members are equal in nature, yet the principle of headship and submission is perfectly displayed in the Trinity. This critical theological principle is incorrectly taught in *The Shack*.

Confusion Regarding Salvation

In this story, Young appears to be teaching pluralism, which is the belief that there are other ways to salvation beside faith in Jesus Christ. In this story Papa states:

Those who love me come from every system that exists. They are Buddhists or Mormons, Baptists or Muslims, Democrats, Republicans and many who don't vote or are not part of any Sunday morning or religious institutions. I have followers who were murderers and many who were self-righteous. Some are bankers and bookies, Americans and Iraqis, Jews and Palestinians. I have no desire to make them Christian, but I do want to join them in their transformation into sons and daughters of my Papa, into my brothers and sisters, into my Beloved. (p. 182)

Young states that Jesus has no desire to make people of other faiths Christians, or disciples of Christ. One then wonders what this “transformation into sons and daughters of my Papa” entails. What does it mean to be a son or daughter of Papa?

Jesus commanded us in the Great Commission to “Go into all the world and make disciples, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey all that I have commanded you.” Being a

disciple of Christ requires us to know and obey the teachings that God has revealed in His Word.

Mack asks Jesus, “Does that mean all roads will lead to you?” To this question, Jesus replies, “Not at all. . . . Most roads don’t lead anywhere. What it does mean is that I will travel any road to find you” (p. 182). Although pluralism is denied here, there is confusion regarding salvation. It is a strange statement by Jesus to say, “Most roads don’t lead anywhere.” In actuality Jesus stated in the Gospels that most roads lead to destruction when in Mt. 7:13-14 He says, “Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it.” Young fails to mention eternal judgment for those who do not receive Jesus whereas Jesus makes it clear in John 14:6 that He is the only way to life; all other roads lead to destruction.

Things are further confused when the Jesus of *The Shack* states, “I will travel any road to find you.” The message appears to teach that Jesus will reveal Himself to people no matter their road or religion. Jesus does not ask them to leave that road and follow the narrow path of salvation.

Moreover, in a later conversation on the atoning work of Christ on the cross, Mack asks, “What exactly did Jesus accomplish by dying?” Papa answers, “Through his death and resurrection, I am now fully reconciled to the world” (p. 191-2). Mack is confused and asks if the whole world has been reconciled or only those who believe. Papa responds by saying reconciliation is not dependent upon faith in Christ:

The whole world, Mack. All I am telling you is that reconciliation is a two-way street, and I have done my part, totally, completely, finally. It is not the nature of love to force a relationship but it is the nature of love to open the way” (p. 192).

Young appears to be saying all people are already reconciled to God. God is waiting on them to recognize it and enter into a relationship with Him. These dialogues appear to teach pluralism. Although it is denied on page 182, the ideas presented by Young that Jesus is not interested in people becoming Christians, that Jesus will find people on the many roads, and that the whole world is already reconciled to God presents the tone of a pluralistic message of salvation. Thus, the book presents a confusing message of salvation.

Emphasis on Relationship

Throughout the book, Young places an emphasis on relationships. He downplays theological doctrines and Biblical teaching and emphasizes that a relationship with God is what is most important. However, Jesus stated, “Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth, for they are the kind of worshipers the Father seeks. God is spirit, and his worshipers must worship in spirit and in truth” (Jn. 4:23-24).

It is not possible to have a relationship with God that is not based in truth. In order to have a meaningful relationship with God, one must understand the nature and character of God. Truth is rooted in the very nature of God (John 14:6). A relationship with God comes through responding to the truths revealed in His Word. Thus, a believer must grow in his relationship with God through seeking emotional intimacy as well as growing in our understanding of the Word of God.

Throughout his book Young emphasizes the relational aspect of our walk with God and downplays the need for proper doctrinal beliefs about God. It is true that Christians are to have a vibrant relationship with God, but this relationship must be built on truth as God has revealed in His Word. Seeking a relationship and worship of God built on false ideas of God could lead one to discouragement and even false hope. As one grows in Christ, one’s understanding of God should move toward a more accurate understanding of God’s character that is revealed in His

word.

An essential part of growing a deep intimate relationship with God involves the learning of Biblical and doctrinal truths about God. The Apostle Paul refers to this in Ephesians 4:13 when he says, “until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.”

Simply knowing doctrine without the involvement of the heart leads to a cold faith. I believe Young was trying to emphasize this point. However, a heart religion without truth as its guide is only an emotional faith. We must have both heart and mind. In fact, Jesus commanded Christians in Matthew 22:37 to “Love the Lord with all your heart, with all your soul, and with all your mind.”

Conclusion

The Shack attempts to address one of life’s toughest issues: the problem of God and evil. Although this is a work of fiction, it addresses significant theological issues. However, in addressing the problem of evil, Young teaches key theological errors. This can lead the average reader into confusion regarding the nature of God and salvation. I found this to be an interesting story but I was disturbed by the theological errors. Readers who have not developed the skills to discern truth from error can be confused in the end. So although the novel tries to address a relevant question, it teaches theological errors in the process. One cannot take lightly erroneous teachings on the nature of God and salvation.

I believe this book would make a great subject for discussion groups. The topics presented in the book such as the problem of evil, the nature of God, and salvation are worthwhile topics for all believers to discuss. We can often learn and become more accurate in our beliefs when we analyze error, compare it with scripture, and articulate our position in light of the Bible. I do not believe Christians need to run from error as long as they read and study with

discernment.

Response to “The Shack”

Sue Bohlin

The buzz is growing in Christian circles about this novel, [{1}](#) for good reason. Response to it seems to be strong: the majority of people grateful and testifying how deeply it impacted their relationship with God, and others decrying it as heresy for its unconventional presentation of God and religious systems. (For an excellent rebuttal by a theologically sound man who knows both the book and the author, please read [“Is The Shack Heresy?”](#) by Wayne Jacobsen.)

It’s a story about a man whose young daughter had been abducted and murdered

several years before he receives a note from God inviting him to the shack where his daughter died. It's signed "Papa," his wife's favorite term of endearment for God. He spends an unimaginable weekend with all three members of the Godhead, a weekend which changes him forever.

It is similar to *Dinner with a Perfect Stranger*,[{2}](#) where Jesus appears as a contemporary businessman and answers the main character's questions and objections over their dinner conversation. What *Dinner* did for basic apologetics, *The Shack* does for theodicy: the problem of "How can a good, loving and all-powerful God allow evil and suffering?"

Personally, *The Shack* became one of my all-time favorite books before I had even finished it.

Most people don't read novels with a highlighter in hand, but this one made me want to. Since I was reading a borrowed copy, I didn't have that freedom. But I read it with a pen in hand because I kept finding passages to record in my "wisdom journal," a book I've been adding to for years with wisdom from others that I didn't want to forget.

I started to say that I absolutely loved this book, but I didn't. I did love it, but not absolutely, because of one (and totally unnecessary, in my opinion) sticking point that I believe is not consistent with Scripture, on the nature of authority and hierarchy. More on that later.

The author, who grew up as a missionary kid and who took some seminary training as an adult, clearly knows the Word, and knows a lot about "doing Christianity." It is also clear that he has learned how to dive deep into an intimate, warm, loving personal relationship with God, and he knows and shows the difference.

Fresh Insights

Through a series of conversations between the main character, Mack, and the three Persons of the Godhead, we are given fresh insights into some important aspects of Christianity, both major and minor:

- God is warm and inviting
- He collects our tears in a bottle
- Jesus was not particularly handsome
- God is one, in three Persons
- The Holy Spirit is a comforter
- There is love, affection and fellowship within the Trinity
- God prefers us to relate to Him out of desire rather than obligation
- God values what is given from the heart
- God understands that difficult fathers make it hard for us to connect with God
- God is compassionate toward the anguished question, “How can a good and loving God allow pain and suffering?”
- The substitutionary atonement of Christ
- The faulty dichotomous perception of the OT God as mean and wrathful, and the NT God in Jesus as loving and grace-filled
- There is a redemptive value to pain and suffering
- How good triumphs over evil
- The nature and purpose of the Law
- The healing nature of God’s love
- Through the cross, God was reconciled to the world, but so many refuse to be reconciled to Him
- God’s omniscience coexists with our freedom to make significant choices
- In the incarnation, Jesus willingly embraced the limitations of humanity without losing His divinity

Those are some pretty heavy concepts to put into a novel, but it works. It not only works, it draws the reader into the relationship between Father, Son and Spirit as

well as how each member of the Godhead lovingly engages with the main character.

How God is Portrayed

Some people have been deeply offended by the fact that God the Father presents Himself to Mack as “a large, beaming, African-American woman” (p. 82) because God always refers to Himself in the masculine in the Bible. And the Holy Spirit is represented as a small Asian woman. I have to admit, this sounds a lot more jarring and heterodox than it actually is in the book. I was touched by Papa’s reasons for manifesting as a woman to Mack, who had been horribly abused by his father as a boy:

“Mackenzie, I am neither male or female, even though both genders are derived from my nature. If I choose to appear to you as a man or as a woman and suggest that you call me Papa is simply to mix metaphors, to help you keep from falling so easily back into your religious conditioning.”

She leaned forward as if to share a secret. “To reveal myself to you as a very large, white grandfather figure with flowing beard, like Gandalf, would simply reinforce your religious stereotypes, and this weekend is not about reinforcing your religious stereotypes.”

. . . She looked at Mack intently. “Hasn’t it always been a problem for you to embrace me as your father, and after what you’ve been through, you couldn’t very well handle a father right now, could you?”

He knew she was right, and he realized the kindness and compassion in what she was doing. Somehow, the way she had approached him had skirted his resistance to her love. It was strange, and painful, and maybe even a little bit wonderful. (pp. 93-94)

For the record, before the book ends but not until after God does some marvelous healing in Mack's heart about his father, Papa does appear to him as a man. The Papa/Father persona is never compromised by any sort of "God is our Mother" garbage.

Apart from the fact that this is a work of fiction, I do think it is appropriate to note that God has also chosen to reveal Himself as a burning bush, a pillar of fire, a cloud, and an angel.

Deep Ministry

On his personal [website](#), the author reveals he has a history of childhood sexual abuse, so he is very familiar with the deep wounds to the soul that only God can touch and heal. The anguished cry of a broken heart is real and well-portrayed. So is the even deeper love and compassion of a God who never abandons us, even when we lose sight of Him. And who has a larger plan that none of our choices can foil.

I appreciated the explanation of the Christ-life, the indwelling Christ, that allows us to "kill our independence" (crucify the flesh) in His strength. I appreciated how the author writes what the healing power of God's love looks like. I appreciated the portrayal of God as warm and affectionate and accessible, without losing His majesty and power. I appreciated the sense of being led into deeper truths of a relationship with God that allow me to revel in the sense that God doesn't just love me, He *likes* me.

An Unfortunate Error

The biggest problem I had with the book—apart from the fact that it came to an end!—is the denial of authority and hierarchy within the Trinity, and the suggestion that hierarchy is a result of the Fall, not of the created order.

"We have no concept of final authority among us, only unity. . . What you're

seeing here is relationship without any overlay of power. We don't need power over the other because we are always looking out for the best. Hierarchy would make no sense to us." (p. 122)

What, then, do we do with 1 Cor. 11:3? "But I want you to understand that Christ is the head of every man, and the man is the head of a woman, and God is the head of Christ."

"We are indeed submitted to one another and have always been so and always will be. Papa is as much submitted to me (Jesus) as I to him, or Sarayu (Holy Spirit) to me, or Papa to her. Submission is not about authority and it is not obedience; it is all about relationships of love and respect. In fact, we are submitted to you in the same way." (p. 145)

I think perhaps the author has confused *submission* with *servicing*. God submitting to His creation? I don't think so! The faulty notion of mutual across-the-board submission, with husbands submitting to wives and parents submitting to their children, and elders submitting to the church body, is troublesome, and not at all necessary to the point or the story in this book.

But that is a minor point compared to the rest of *The Shack*, one that does not cancel out the value of everything else. We should be reading *everything* through a discernment filter anyway.

Who the Book Is For

On a personal note, besides my work at Probe, I also have the privilege of serving in a ministry with people whose difficult relationships early in their lives have caused trouble in their relationships with themselves, other people, and God. Many of them were sexually abused, and they usually find it impossible to trust a God who would allow that kind of pain to happen to them. I am recommending

The Shack to them because of the hope it can offer that they were not alone, that God was with them in all the painful times that left such deep wounds, and that He has a plan for all of it that does not in the least compromise His goodness.

Particularly because so many of these precious broken people had deeply flawed relationships with a parent, I was brought to tears (for only the first time of several) when God tenderly offers Mack, “If you’ll let me, I’ll be the Papa you never had.” (p. 92) I have seen God heal a number of broken hearts by manifesting the loving, wise, nurturing parent they always longed for.

This is a good book for Christians who feel guilty for not doing or being enough, who fear they will see disgust in God’s eyes when they meet face to face, who can’t give themselves permission to rest from their “hamster treadmill” for fear of disappointing God. It is for those who love Christ’s bride, but wonder what it would be like for the church to be vibrant, grace-drenched, and warmly affirming of people without affirming the sin that breaks God’s heart. It is for those who are not satisfied with a cognitive-only “Christianity from the neck up,” but want a relationship with the Lord that connects the head and the heart.

I thank Papa for *The Shack* and for William P. Young who brought it to us.

Addendum: August 5, 2009

Recently I returned to speak at a church MOPS (Mothers of Pre-Schoolers) group where I had spoken last year. One of the ladies greeted me warmly and told me that the best thing she heard all year was that “boys express affection

aggressively.”

The interesting thing is that I never said that. She had apparently conflated two different observations I had made about boys, and combined them into the best “take-away” of the year.

What struck me about that incident was how that is a picture of much of the criticism of *The Shack*. Many people’s hostility toward the book isn’t about what it actually says, it’s about their perception of what the author says. And they ascribe hurtful labels like “heresy” and “dangerous” to a book that appears to be greatly used by God to communicate His heart to millions of people in a way they can hear.

Just as we do with Bible study, it’s important to keep in mind the context of the book: why it was written, its original intended audience, and pertinent facts about the author that make a difference in how we understand the final product.

Paul Young has always written as gifts for people. He wrote the book in response to his wife’s urging, “You think outside the box. Write something for our kids that will help them understand how you got to this place of your relationship with God.” He had come through an eleven-year journey of counseling, prayer, and wrestling with God and with himself; he emerged with a very different, intimate relationship with God.

He intended the story to be a Christmas gift for his six children and a few friends. His goal was to get sixteen copies printed and bound in time for Christmas, and that would be the end of it. But a few of those copies were copied and circulated among more friends as readers recognized something powerful in the story, something they wanted to share with others. Quickly the viral marketing took on a life of its own.

When neither Christian nor secular publishers were interested in *The Shack*, two friends, Wayne Jacobsen and Brad Cummings, formed a self-publishing company.

The three men spent a year hammering through the book, editing it, sharpening it, and discussing the theology. In the process, some of Paul Young's "out of the box" theology was shaped and brought back to a more biblically sound position.

This book is a novel—a long parable. It is a "slice of God," so to speak, not a novelized systematic theology. The point was to show, in story form, how Paul's view of God as a mean, judgmental, condemning cosmic bully—"Gandalf with an attitude," as he put it—had been transformed to allow him to see the grace-drenched love of a Father who longed for relationship, not hoop-jumping lackeys. He uses imagery to communicate spiritual truth, and I think that asking "What is the author using this imagery to portray?" is essential to not jumping to the wrong conclusions. Paul Young does not believe in a feminized God; that was the way he chose to communicate the tenderness and compassion of a loving God, the [heart of El-Shaddai \("the breasted one"\)](#). He does not believe that the Father and the Spirit hung on the cross with Jesus; when he wrote that they bore the same scars as Jesus, that was a way to portray the oneness of the Trinity because the Father's and the Spirit's hearts were deeply wounded in the crucifixion as well. The scars are about their hearts, not a misunderstanding about Who it was that hung on the cross.

Paul's children would have understood his starting point. He had grown up as a missionary kid in Irian Jaya, with an angry father with a lot of emotional baggage who didn't know any other strategy than to pass it on to his children. On top of that, Paul was sexually abused by the members of the Dani tribe until he was sent away to boarding school, where the abuse continued, starting the first night when the older boys immediately began molesting the new first graders.

He was a mess.

And then he grew into a mess with a degree from a Bible college and some seminary education. He knew a lot about a God who looked and acted a lot like his father (an unfortunate truth that is repeated millions of times over in millions

of families). Paul Young understands about a God of judgment, who hates sin. He gets that.

The Shack presents another side of the heart of God that took years for him to be able to see and embrace. And the breathtaking grace and delight of a heavenly Father who knows how to express love to His beloved son is something he wanted to show his children and friends. So he wrote *The Shack*. It is intentionally not a full-orbed exploration of the nature and character of God; it focuses on the grace and love of God. That doesn't mean the rest of His character doesn't exist.

The people that have the most problems with the book usually have the most theological education. They have finely-tuned spiritual Geiger counters, able to detect nuances in theological expression that the majority of people reading the book cannot. Our culture is more biblically illiterate and untaught than we have ever seen in the history of our country. And even in good Bible-teaching churches we can regularly see confusion about the Trinity; I have lost track of the number of times I have heard someone pray from the pulpit or platform something like, "Father, we praise You today and we thank You for Your great goodness. Thank You for making us Your children and showing us Your love for us by dying on the cross. . ."

The objectionable theological nuances are lost on the millions of people who are still foggy on the concept of three Persons in one God.

There is nothing in *The Shack* that contradicts Probe Ministries' doctrinal statement. The issues that people have with this book are not about central, core doctrines of the faith. It's about how one's understanding of biblical truth is expressed. And just like my MOPS friend, many of the objections are grounded in people's *perceptions* of what they read: "The author implies. . ." or "We can deduce that . . ."

Theologians play an extremely important role in protecting truth. But sometimes they can get so committed to their understanding of biblical truth, to their "box,"

that they perceive anything outside the box as wrong. As one wise seminarian told me, “We need theologians. But we also need people who can think outside the box, who are able to present the gospel and the truths of the Bible in ways people can get. And those two groups of people usually drive each other crazy.”

I believe much of the controversy about *The Shack* is because people’s understanding of the book is crashing into their current understanding of theology. There are people who loved the book, as well as people who are critical of and hostile toward the book, who all love the Lord and love His word. It’s a lot like the in-house debate about the age of the earth: there are old-earth and young-earth believers who are all fully committed to the Word of God as truth, who disagree on this issue. Unfortunately, as with the age of the earth debate, there is some mud-slinging toward those who disagree. In both arguments, some people have lost sight of the call to “be diligent to preserve the unity of the Spirit in the bond of peace” (Ephesians 4:3). Paul Young is a fellow brother in the Lord. He loves the Father, Jesus and the Holy Spirit, and He loves the Word of God. He loves the bride of Christ, the church. I think that’s important.

I recently learned that someone with a Ph.D. in theology was warned of the controversy about *The Shack*. “Controversies don’t bother me,” this wise believer said. “I remember when C.S. Lewis was scheduled to speak at a church in New Haven when we were at Yale. He was banned from the church because *The Screwtape Letters* was too controversial. As with Lewis, time will tell whether this book is a blip on the radar screen, or if it has the hand of God on it.”

The night before I did a presentation on the book and the controversy at my church, I tossed and turned much of the night. I knew I would be presenting a perspective that is diametrically opposed to many evangelicals’, and it troubled me. As I prayed, “Lord, what’s up with the furor over this book? Give me Your perspective,” I believe He answered me: “He doesn’t get everything right.” Ah. That makes sense. No, Paul Young doesn’t get everything right, and I do see that. None of us get everything right, but we don’t know what our blind spots are and

we don't know what we get wrong. Many believers seem to have confused the gospel with "getting your theological beliefs right." And not "getting everything right" is a cardinal sin, which I am reminded of every time I get a strong email urging me to repent of my wrong belief about this "heretical" book. For the record, what I got from the Lord is that He knows Paul Young doesn't get everything right, and He's using the book to draw millions to Himself anyway. I think there's something to be said for that.
