

“Wicca is Not a False Religion!”

You sound like a very knowledgeable person but when I was searching the web and came upon your website I was not angry but I wanted to email you and explain something about the young girl someone took in. Well when you said that Wicca is a false religion you are quite mistaken. Wicca is another word or newer version of Paganism which is actually a very old and sacred religion. Paganism was even hundreds of years before Christianity. I am not sending this to you as hate mail but as a young pagan teen who is very tired of religious people saying that we need help. I would very much appreciate if you refrain from speaking about or making false accusations about other religions who do not agree with you.

Thank you for the respectful, gentle way in which you disagreed. I appreciate that so very much!! That says something lovely about you.

My statement about Wicca being a false religion is from a perspective that believes it is opposed to the one true religion. I do realize that may sound arrogant and foolish, and it absolutely would be if Christianity (with its roots in Judaism) were a man-made religion. But it is the one way of connecting with God that originates with Him. All man-made religions, including paganism and Wicca, are the result of man trying to find his way to God, or to various kinds of spirituality. The Judeo-Christian story is God reaching down to and communicating with us, and actually becoming one of us. I do know that Wiccans and pagans worship the creation. But how did that creation get here? It makes sense to worship the one who created it! (And us.)

I do understand that this is a time for you to search out what you believe and how you want to live your life. You are obviously a smart, thoughtful young lady; I hope you are wise enough to receive this piece of wisdom. As you work your way through this very important part of growing up, don't merely look for *what works*; look for *what is true*.

Blessings to you,

Sue Bohlin
