RELEASE OF CLAIMS AND ACKNOWLEDGEMENT OF RISKS

It is the intention of _____ (Participant/Parent or guardian name if student is under 18) by this agreement to voluntarily release, forever discharge, and agree to exempt, relieve, indemnify and hold harmless Probe Ministries, its agents, employees, volunteers, and all other persons or entities acting in any capacity on its behalf, (hereinafter referred to as "Probe"), with the expressed exclusion of its liability insurer whose purpose is to help named student and family become restored financially, from any and all claims, demands, causes of actions, or liability for personal injury, property damage or wrongful death of _____ (participant/student name) which are in any way connected with my/my child's participation in any activity, observance or use of Probe's camp facilities or equipment, or engaging in or receiving instructions in any activities or in activities incidental thereto wherever or however the same may occur, and for whatever period said activities or instructions may continue, including any such claims that are caused by any act of negligence.

I hereby grant permission for myself/my child, _____, to participate in Probe Mind Games Camp 2025, and I hereby agree as follows:

I understand, Probe has difficult jobs to perform. They seek safety, but they are not infallible. They might not be aware of a participant's fitness or abilities. They may give insufficient warnings or instructions, and any equipment being used might malfunction. I expressly agree and promise to accept and assume all of the risks existing in activities occurring as a result of events, programs, and activities under the implementation of Probe. My/my child's participation in any activity is purely voluntary, and I/they elect to participate in spite of the risks, some of which may involve dangers and risk of bodily injury. I certify that I have insurance to cover injury or damage I/my child may cause or suffer while participating, or else I agree to bear the cost of such injury or damage myself. I further certify that I/my child has no medical or physical conditions that could interfere with my/their safety, or else I am willing to assume and bear the cost of all risk that may be created, directly or indirectly, by any such conditions. Furthermore, should it be necessary for my child to return home for disciplinary reasons, I hereby assume responsibility for all transportation costs.

AUTHORIZATION FOR TREATMENT

I, the undersigned, for and on behalf of myself/my child under 18 years of age give consent to any x-ray, examination, anesthetic, dental or surgical diagnosis or treatment and hospital care under the general or special supervision and upon the advice of or to be rendered by a licensed physician and/or surgeon. This authority also extends to any x-ray, examination, anesthetic, dental, or surgical diagnosis or treatment and hospital care by a licensed dentist for myself/my child. I also assume personal responsibility for all medical bills and do certify I have secured primary medical insurance. Further, should it be necessary for myself/my child to return home for medical reasons, or otherwise, I hereby assume responsibility for all transportation costs.

By signing this release and authorization, I acknowledge that if I or my child is hurt or any property is damaged during their participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against Probe on the basis of any claim from which I have released it herein. I have had sufficient opportunity to read this entire release and authorization. I have read and understand the release and authorization, am fully aware of and understand the terms and the legal consequences of the signing of this release, and agree to be bound by its terms. The undersigned parent or legal guardian intends his or her signature to be a complete and unconditional release of all liability to the greatest extent allowed by the law and if any portion of the release and/or authorization is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.
